

Chapter 4523

Soon, Stella's men brought up the emotional Tasha.

Tasha's emotions were very tense and shocked because she didn't know exactly what this gang was doing,

And that this gang had taken charge of the entire VIP area directly and silently!

Even her own staff, without exception, disappeared without a trace,

Which gave her a few unpleasant feelings in her heart.

However, the moment she saw Charlie, her nervousness instantly eased a bit,

And she hurriedly asked: "Mr. Wade, what the hell is going on here? Are these people yours?"

Charlie glanced at Stella and said indifferently,

"These are the people that Miss Fei brought with her, I hired them to help."

Tasha was surprised and asked, "Did something happen?"

Charlie did not answer, but asked her with a bit of caution,

"Who are the people who know that the An family is here tonight?"

"No one." Tasha spoke, "Other than Sara and I, no one else knows."

After saying that, she asked nervously, "What's wrong?! What's going on?!"

Charlie said in a cold voice: "There was an attack on the An family by assailants just now."

"Attack?!" Tasha was dumbfounded and said offhandedly, "When did that happen?"

After saying that, she subconsciously looked around left and right and said doubtfully,

"But Mr. Wade doesn't look like an attack happened at all"

Charlie looked at her and continued to ask:

"Tasha I ask you, when did you know that the An family would come over to the concert?"

"After knowing, what did you all do?"

Tasha said, "Sara received a phone call from the old lady of the An family in the morning,"

"And knew they were coming over to watch the show,"

"Then she immediately called you, Mr. Wade, to confirm,"

"And only after you agreed did we arrange the An family's private room next door to yours."

Charlie asked again, "After you and Sara confirmed the private room, did you tell others about this matter?"

"Of course not!" Tasha said: "Sara and I also know that the identity of the An family is extraordinary,"

"So in order to keep absolute secrecy, the two of us from beginning to end,"

“Did not tell any of the staff exactly who is coming tonight,”

“Even our most trusted assistants around do not know!”

“And, in order to keep it as confidential as possible, Sara also took away a large part of the original staff from here,”

“Because she felt that the An family itself brought bodyguards,”

“Not to mention that we know that Mr. Wade you are next door,”

“She felt that since you are here, there is absolutely no need to add too many staff,”

“Because that would also increase the risk of leakage.”

Speaking of which, Tasha’s eyes widened and she blurted out,

“Mr. Wade, you don’t suspect me of leaking the information, do you?!”

Charlie looked at her, his heart had already dispelled his doubts about her.

Not only because her performance, eyes, and expression at this moment,

He can not see any faint heart and lying, more importantly, Tasha is aware that he is here.

If she is a mole or the one who leaked the info,

Then she can’t just leak the information of grandparents’ family,

She would definitely tell the other party about him,

After all, he is the biggest variable here tonight.

So, from this point alone, it can be determined that the mole is definitely not Tasha.

Thinking of this, Charlie continued to ask:

“If according to what you said, before the An family came tonight,”

“Except for you and Sara, no one knew which private room they would be placed in, right?”

“Right!” Tasha said categorically: “This matter, we have not ordered anyone else to do,”

“And the An family arrived, I personally brought them in, and took them upstairs in the process,”

“I did not let the staff follow, after they settled, but also specifically explained to the staff,”

“No one without the guests’ call, are not allowed to disturb the floor,”

Chapter 4524

Tasha said further, “Of course, I also can not absolutely guarantee that after the An family came, from our staff no one must know their identity

“But I think, if you suspect that there is a mole, the mole is unlikely to be here,”

“Because our staff here, even if they know the movement of the An family,”

“It is just after the An family came, and there have been a few minutes only.”

Charlie thought about the signal being shielded, so he asked her,

“During the daytime, today, did any staff come to this floor?”

“Is there a possibility that they might have brought in some kind of small shielding equipment?”

Tasha frowned and said, “During the day, our attention was on the scene and the backstage,”

“Not too concerned about the VIP area, so I can’t guarantee you this,”

“But you can check the surveillance video of the VIP area.”

“Like I just said, Sara and I did not leak the news,”

“So even if someone came over during the day to install the shielding equipment,”

“They do not know which room to install it in,”

“Here are a total of two dozen boxes, did they install it in each room?”

Charlie took the phone into a few boxes near the corridor,”

“Found that in these boxes, the signal is not affected by any.

So, it really does not seem like the staff arranged it in advance.

Thinking of this, his brow furrowed even tighter. He felt as if he had entered a dead end.

On the one hand, judging from the objective situation,

This matter must have been staged by someone to make it possible.

On the other hand, Sara and Tasha had a strong sense of secrecy,

And had not leaked this information from the source,

So the possibility of a problem here was also unlikely.

Moreover, Charlie figured out one more thing.

If the other party's purpose was to kill the An family,

Then since they can send in the shielding equipment, they could send in a small bomb.

If you send a small bomb in directly, everything could be easily solved,

And why bother to first shield the signal, and then attack at the door?

However, from the feedback of Marshal just now, the shielding equipment is actually there.

This seems to be some kind of paradox everywhere,

So that every one of his speculations is not very tenable.

Thinking of this, Charlie was stuck in a quandary.

Just at this time, he suddenly thought of something.

In his mind, he thought, "The shielding device,"

"Could it have been brought in by a certain An family member?!"

He previously felt that if there was a mole in the An family,"

"The mole should not be someone who was present, but someone who was not present.

For example, his aunt, whom he had never met, or other grandchildren who were not there.

But now, he suddenly had a not-so-good feeling.

“The first thing we need to do is to find out where the shielding device is,”

“Or who it is with, but don’t reveal the intentions when you go in.”

“If someone makes a small move, immediately control it.”

Stella was busy saying, “I asked Karl to keep watch downstairs,”

“He is the most trusted person, besides Karl,”

“There are several bodyguards he personally trained, they are all very trustworthy.”

“Good.” Charlie nodded and said, “Then let Master Yuan go!”

At this moment, the An family after the attack is sitting on the sofa without saying a word,

Several young grandchildren because of the considerable stimulation, at this time, are in a very depressed state.

And the moods of the adults, are also a bit disheveled.

Just a moment ago when Stell’s men were cleaning up the scene outside the door,

Charlie’s three uncles had been dissecting what had happened with the old man,

During which everyone even had a heated argument.

They wanted to know which link had been so significantly flawed,

That it nearly brought the entire An family to its knees.

Chapter 4525

At first, Marcus suspected that Charlie's aunt, that is, Tece's husband, was the most suspicious.

Because, everyone was there tonight, but he was the only one who didn't come.

After all, it is a matter of life and death for the whole family,

So Marcus did not avoid Tece when discussing this matter.

Martel has a similar personality to his second brother Marcus,

And the two work together more often than not,

So he also very decisively expressed support for his second brother's speculation,

And felt that his brother-in-law was the most suspicious.

However, Tece has a different opinion, she feels that her husband is not very likely to do this.

The reason is that her and her husband's only daughter is also here today,

Her husband usually loves his daughter very much, as the saying goes,

Tigers do not eat their children, if he really wants to make a move against the An family,

Then at least he will not let his daughter follow them.

Moreover, she felt that her husband did not have enough motive to commit the crime.

If her husband was doing it for money, he was not himself the first,

Second or even third in line of succession to the An family assets.

Even if all the An family members died,

The vast majority of the family assets would be inherited by the surviving grandchildren.

And he, as her husband, is only the legal heir to his share of the inheritance,

And can only inherit that small portion of interest in the An family,

So if he does this, it will be more of a graft for others.

Unless he kills the An family members present today,

And then kills the remaining family grandchildren as well.

However, if he really does this, the U.S. police and the FBI will never sit idly by,

After all, the entire family's immediate family members are all dead,

And finally, only a son-in-law left out to inherit the family fortune,

A fool knows that there must be something wrong here.

Therefore, her husband could not have done such a stupid thing, according to her.

Marshal, as well as the old lady, did not think Tece's husband would do such a thing either.

They were more suspicious that this matter might be the result of Sara's side,

Not doing a good job of keeping secrets, and that they had leaked the news and attracted enemies.

In view of the fact that everyone has their own opinions,

And now can only stay in this box and can not leave,

So the Elder An stopped the speculation and discussion, and asked them,

Before the investigation of the exact results, not to argue about this matter.

So, everyone fell into silence.

At this time, Karl, with a few of his trusted members,

Knocked on the door of the box, and then pushed the door in.

Seeing Karl enter, the An family all immediately looked at him.

Originally, they thought it was the savior who had come,

But the Karl in the light did not match the figure of the savior just now.

At this time, Karl looked around for a while and took the initiative to open his mouth and asked,

“Gentlemen, in view of the seriousness of tonight’s matter,”

“Please continue to wait here patiently and leave the place after the show,”

“If you have any needs now you can tell me and I will try to help you out.”

The old man Nicolas spoke up at this time, “Gentleman, I wonder if I can make a phone call,”

“I want to make sure that a few grandchildren who didn’t come are safe.”

Karl said seriously, “Sorry Sir, for the time being, you can’t be allowed to contact the outside world.”

After that, he focused on the crowd and spoke,

“In order to ensure everyone’s safety, now please hand over all your personal belongings,”

“And we will conduct a comprehensive security check to rank the hazards here.”

Chapter 4526

Marshal asked, “What all things need to be handed over?”

“Everything.” Karl stopped beating around the bush at this point

And got straight to the point, saying with a serious face,

“Gentlemen, from now on, we need you to turn in all your personal belongings,”

“And please stand to the left for men and to the right for women,”

“With your fingers open on your chest, and we will arrange for someone of the same gender to search everyone.”

Hearing this, Master An frowned and asked, “You suspect that there is a mole among us?”

Karl arched his hand and said seriously, “Sir, I am also under orders,”

“And you all must cooperate! Please forgive me if I have offended you!”

Marcus said with some dissatisfaction, “You suspect us and even search us for no reason,”

“Isn’t that a bit too much? Don’t forget that we are the victims!”

“Besides, you don’t look like a police officer, who gave you the right to search us?”

Marcus’s personality itself is hard and aggressive,

And as the heir of the current generation of the An family,

Karl’s tough attitude made him instinctively a little physically uncomfortable.

Karl did not give him any good looks at this time, he said coldly:

“Sorry, it was the person who just saved your lives who gave me this right,”

“He said that all of you sitting here must cooperate unconditionally, no one can refuse for any reason!”

As soon as he heard that the person who saved his life just now ordered,

Marcus’s displeasure immediately dissipated. That scene just now was deeply impressive to him.

He saw with his own eyes the attacker standing in the doorway,

Having his arms and legs cut off by some unknown weapon across the air, and that moment gave him a huge impact.

Therefore, when Karl mentioned his life-saving benefactor,

The resistance in Marcus's heart immediately dissipated involuntarily,

While also saying with an apologetic face,

“Since it is the order of the benefactor, then we will definitely cooperate!”

In order to show his sincerity, he took the initiative to take out his cell phone,

Watch and other personal belongings and put them on the coffee table in the middle of the two rows of sofas,

Then he stood up on his left and opened his hands on his chest.

Master An followed while pulling out his own things, he opened his mouth and said to others,

“Since the benefactor ordered, naturally have their intentions, we must not have any doubts, must be good cooperation!”

So, all the people also started, pulling out things from their pockets.

Karl obeyed Charlie's instructions, and his attention was always on the movements of each person's hands,

To ensure that they do not make other small movements under his nose.

According to Charlie's speculation,

If the shielding equipment had been brought in by a certain member of the An family,

Then he certainly would not have had the opportunity to get rid of the equipment,

And most likely would still have quietly brought it with him,

And then find the right opportunity to get rid of it when he leaves.

So, as long as they look carefully enough, they will definitely be able to find out the shielding equipment.

Moreover, if they can find the device directly from someone's body,

It would be even better, then they can directly lock the identity of the suspect.

Karl saw that everyone took out their things and then stood to the side,

Except for a woman who kept her head down and never moved,

So he said in a stern voice: "You lady, please cooperate to take out your personal belongings."

The 16- or 17-year-old girl next to her hastily reached out and shook her arm and said,

"Mom, you're the only one who's missing, hurry up."

This woman is Charlie's third aunt, his third uncle Martel's wife.

The girl who shook her arm beside her was Martel and her eldest daughter,

Jennifer An, who is only sixteen years old.

At this time, Karl's brow suddenly frowned as if he caught something unusual!

Immediately afterward, Charlie's third aunt,

Under Jennifer's shaking, fell down on the sofa in a smooth manner.

At this moment, her face was miserable white to the extreme,

In the corners of her mouth, it is hanging white foam,

Her eyes are also staring extremely wide, her body has also begun to stiffen, and she is already dead!
