

## Chapter 4533

Margaret's vision was unmatched in the entire An family.

When she was preparing to build the Anbang Building,

She spent a lot of money to make the top floor of the Anbang Building impregnable.

The top floor of the Anbang Building is made of bulletproof glass of extremely high standard,

And the passages and elevator shafts leading to the roof and downstairs on the top floor are equipped with physical partitions,

As strong as bank vaults, and once all the strong physical partitions are closed, the whole top floor can be described as solid.

The solid design makes it impossible for any kind of single weapon to enter the top floor from the roof,

Downstairs or windows, unless the other side dares to fly helicopter gunships in downtown New York to attack,

Otherwise, it is impossible for anyone to come in.

Moreover, the Anbang Building is located in the middle of Manhattan,

Even the entire United States of America's most prosperous area, plus the 9/11 incident,

For the U.S. police and national security departments of the New York skyscraper security is very important,

So absolutely no one dares in such places, the grand attack on the Anbang Building.

It is also unlikely that there are any bandits who can take the helicopter gunship,

A weapon of mass destruction, over Manhattan, New York.

This is precisely why Margaret had long concluded that once the An family faces a major disaster,

Hiding in the Anbang Building is definitely safer than other places.

No matter where a New Yorker is in New York, as long as he looks up at the bustling Manhattan,

In the distance, he will be able to see the Anbang Building.

With such a large number of people in sight, no one can possibly do anything to the An family.

Margaret called the Anbang Building the last fortress of the An family,

And the secret about this fortress was known only to the old man and the oldest Marshal.

In addition, even Marcus, who spends most of his time in the Anbang Mansion, does not know that this floor has such a mystery.

The reason why he didn't tell Marcus was because the old man thought that his second son has a radical personality,

And is suitable for opening up new territories in the business field,

But once the matter is about the safety and security of the whole family,

His radical personality could easily make a wrong judgment because he is not cautious enough.

In the nick of time, a judgment that is not cautious enough may lead to the consequences, even disaster.

In contrast, the oldest Marshal character is cautious, everything for stability,

With the decisions about the safety of the An family, the old man also trusts him more.

This kind of fortress will not be activated until the last moment, its secrets, only he and Marshal know.

Right now, although the An family was lucky to escape a disaster,

But this time the form of the most urgent, so the old man can think of the place, only the Anbang Building.

Marcus did not quite understand his father's decision, he said doubtfully:

"Dad, in terms of security, I'm afraid that no place is better than the manor in Los Angeles, right?"

"There is an underground shelter there, and if something really bad happens, the shelter can protect the family."

## **Chapter 4534**

Marshal stepped forward at this time and said, "Marcus, Dad is right,"

"Now for us, nowhere is safer than the Anbang Mansion, where Sis has left us a way out."

Marcus's eyes widened and he wanted to say something,

But he quickly figured out the reason, so he nodded firmly and said seriously, "Okay! Then we will go to An Bang Mansion!"

Marshal nodded and didn't say anything more,

But in his heart, he couldn't help but feel very surprised at the old man's performance tonight.

Tonight, the old man's performance, not to say that he was absolutely unperturbed by changes,

But he was also beyond a normal state of calmness.

And his thinking logic is also very clear, can not see the shadow of suffering from Alzheimer's.

Just when he thought the old man's brain might have improved,

He suddenly discovered that the old man had been hiding,

A very miniature ballpoint pen in the fingers of his right hand.

And he, too, had been constantly poking the palm of his left hand quietly with the tip of the pen.

He took a closer look and realized that the old man's left palm,

Has densely written a lot of words, and the old man every time poked his palm,

He would look down quietly at those small words written in the palm of his hand.

Marshal even found that the old man's palm has pocked a location,

A few points have poked deeply and sunken in,

Even the skin is broken due to the constant poking,

Ballpoint pen ink even penetrated into the skin, forming similar old tattoo-like traces.

Although it is not possible to see what is written on the palm of the old man's hand,

But Marshal can guess, that must be the old man himself who wrote words to constantly remind himself of his own words.

Marshal felt a heartache, but also can not help but quietly lean toward the old man,

Until the old man, next poked with the ball-point in his palm,

And peek at the text, he only saw the three lines written on it.

“Margaret and Changying have been gone for a full twenty years;”

“Thanks to the kindness of Charlie's fiancée for saving my life;”

“Charlie has not yet returned.”

Seeing these three lines, Marshal's nose was sore and his eyes could not help but feel a wet heat.

He could tell that the old man must have been in great pain when he wrote these three lines.

He also saw that the reason why the old man wrote these three lines,

It is to remind himself constantly and not to forget these pieces of information.

As a child, seeing his father so hard to remember his own daughter,

And a son-in-law who had been dead for twenty years,

His grandson who has not been found, and Marshal's heart is more heartbroken.

However, he also knows very well in his heart, that this kind of thing,

He can not persuade, can only let the old man digest it.

Soon, Marcus gathered all the An family's bodyguards in New York, one by one, near the performance venue.

After the people arrived, Marcus said to the old man and the old lady,

"Dad, mom, everyone is here, we can go now."

## **Chapter 4535**

Marshal and Marcus took the lead and led the An family members out of the box.

Charlie listened to the fading footsteps, relieved at the same time,

His heart also seemed to be a little disappointed.

He felt that it might not be a bad thing to identify with his grandparents' family.

For the two old people, it is also a psychological comfort.

However, once he thought of the death of his parents and having no clues about it,

And the thought that the enemy may be far more powerful than he imagined,

Charlie is a little glad that he has been persistent.

After all, only when in the dark can be low-key development.

Otherwise, in case of prematurely drawing out the behemoth that is hidden in the darkest of places,

It is likely to invite a big disaster for those around him.

With the four elevator doors closed, in the entire VIP area,

It is now only Charlie is left, as well as Claire who was leaning on his shoulder sleeping.

So, he quietly withdrew a trace of aura that was left in her brain,

And immediately after that, he closed his eyes and pretended to be asleep.

It was only then that Claire woke up quietly.

And her first thought, when she woke up, she said in her mind, "I ..... where am I?"

Immediately after, when she saw Sara singing and dancing on the stage,

Through the floor-to-ceiling window, she was struck by lightning before she exclaimed,

"Ah? The concert has already started? I ..... how did I fall asleep at such an important time ....."

After saying that, she could not help but look at Charlie beside her,

Found him also tilted his head and sleeping, and quickly shook his shoulders and said,

“Husband ..... husband, quickly wake up!”

Charlie pretended sleepy like and opened his eyes, then with a confused face asked her:

“Wife what’s wrong ..... I was dreaming .....

Claire pointed to the concert stage, and said with a chagrined face:

“Look, the concert has already started, why are we both asleep .....

Charlie pretended to be surprised and said, “Oops I fell asleep ..... it really started .....

“I do not know how to fall asleep ah, could it be that we were too tired?”

Claire with an aggrieved bar said: “I do not know ..... but I do not seem to feel tired,”

“And the opening video just played, I was watching, do not know how! Suddenly I have no impression .....

Charlie said casually: “Oops, this situation is not very abnormal?”

“Sometimes sleep ups your energy, sleepover just needs a blink of an eye,”

“You are doing other things one second, with the next, blinked you directly go into dreamland.”

Saying that he continued with a serious face: “You see a lot of fatigue causes driving accidents,”

“They are thinking that they can certainly hold up and will not fall asleep,”

“They drive so hard, the result, a moment of sleep over,”

“They do not know anything, and then wake up, the car has turned over into the ditch.”

Claire with red eyes said: “But I just really not felt sleepy at all.....”

After saying that, she also no longer dwell on this issue, beaming depressed said:

“Oh, I do not want to care how I just fell asleep,”

“The main thing is that I do not know how long the concert has been going on,”

“So good an opening clip was missed, the opening performance all missed, I am really depressed ... ..”

Charlie laughed: “Oh, it’s okay, today we did not see the beginning of the concert,”

“We can wait for the next one to make up for it!”

“The theme of this tour is the same, the opening of each concert and the order of the songs will not be different,”

“But the next concert before the opening you should rest well and do not fall asleep again.”

Saying that, he added: “If you think you can’t make up for it by watching one,”

“Then let’s watch two more! This will do it, right?”

Although Claire still felt regretful in her heart, when Charlie said so, she could only nod and said helplessly:

“Even if I watch two more, I will definitely watch all the next ones without missing a second!”

Seeing that she has accepted the reality, Charlie also felt slightly relieved,

Then looked at the time and laughed:

“Okay, okay, the concert is only about thirty to forty percent over, from now on enjoy it!”

“Mmm!” Claire heavily nodded her head, hands on her chin, concentrating on Sara’s performance.

.....

## **Chapter 4536**

A few moments later.

At the exit of the VIP area of the venue, dozens of cars drove out from here one after another.

These cars included the Fei family’s convoy and the An family’s convoy,

In which the An family took eight cars and quickly drove away from the scene to the Anbang Mansion.

Meanwhile.

New York Chinatown.

Several police cars drove quickly into Chinatown and stopped in front of Hogan’s roast goose restaurant.

More than ten New York police officers got down from the cars and walked into the restaurant.

At the head of the group was Duncan's subordinate known as Stefan Wu.

At this time, there were still many customers eating at the restaurant.

As soon as Stefan entered, he startled the diners.

At this time, he pressed one hand on the pistol at his waist, pointed at his badge with one hand, and said to the crowd,

"Excuse me, gentlemen, the police are handling a case, please sit where you are and do not move."

Seeing so many police officers come to the door, the boy Jordan was too nervous to speak,

And a roast goose in his hand was about to be put on the customer's table,

But his hand unconsciously shook and the meal fell to the ground.

Then, he suddenly turned around like crazy and shouted in the direction of the back kitchen:

"Uncle Chen! Cops are coming! Run! Run!"

When Stefan heard this, he immediately pressed him to the ground and warned in a cold voice:

"Kid, I know everything about you and Hogan, if you don't want to be repatriated back,"

"Stay honestly on the side and don't say anything, otherwise, I can't help you!"

While struggling, Jordan shouted, "Send me back! I want to go back with Uncle Chen!"

Stefan said sternly, "You are really insensitive, I want to let you go for the sake of your age, don't be like that!"

Hogan came out of the back kitchen, and without taking off his apron, he hurriedly said,

"Officer, officer! I am Hogan, I will fully cooperate with you and your law enforcement,"

"But Jordan is still young, he doesn't know what's going on, so don't take it personally!"

Stefan saw Hogan come out, his tone and attitude eased a lot,

He let go of Jordan and warned in a low voice: "Little boy, this time you are lucky to meet me,"

"If it was those ghosts who came, you would be finished!"

"In the future, you honestly stay in Chinatown, I will not give you a hard time,"

"But you have to know in your heart, everything you must learn to endure,"

"Back then there were many compatriots like you smuggled to the United States,"

"Now mixed into the people, which is not the first to endure?"

Jordan also knew that this police officer is not malicious, can not help but tear up like rain, and asked:

"What are you going to do to Uncle Chen? He can't go back to Hong Kong,"

"If he goes back, he will be killed ....."

Stefan sighed and was about to say something when Hogan said with a bemused smile,

“Jordan, you should not worry about the sky,”

“Hong Kong is also a society under the rule of law, not as chaotic as you think.”

After that, he looked at Stefan and said, “I knew you guys would come,”

“The luggage is already packed, can you let me go get it?”

Stefan beckoned to another colleague beside him, saying, “You go in with him!”

The other party immediately agreed: “Okay!”

Soon after, Hogan pulled out his shabby little suitcase and walked up accompanied by the policeman.

He looked at Jordan and smiled faintly, “Jordan! You’ve grown up, you’re not a weak boy anymore,”

“You have to learn to be on your own! Remember what I told you,”

“Run this store well, don’t ruin my 20 years of hard work, got it?”

The strong boy started shedding tears, while nodding repeatedly and choking said, “I know Uncle Chen .....

Hogan nodded in satisfaction, and looked at the shocked crowd of diners, arching his hand and saying,

“Many of you are my old customers, after tonight, I can not cook roast goose rice for you,”

“But Jordan he has followed me for more than ten years, the craft he has learned very well,”

“I hope you can support his business more in the future!”

The diners all knew that Hogan was illegally stranded in the U.S.

Although they didn't know his past, it was clear that since the police had approached him, he would definitely be deported back.

So, everyone spoke up to reassure him and said they would take care of Jordan's business more often.

Hogan said thank you to the people, and then looked at Jordan and instructed,

“Jordan, I'll go, this meal is on me tonight, you must remember to give all free bills!”

## **Chapter 4537**

The words spoken by Hogan sounded like a farewell to Jordan.

To him, Hogan had played the role of a father for more than ten years,

And was the only family member in his heart, so he was incredibly sad to see him get arrested.

But Hogan was unwilling to let him dwell on it too much.

Police officer Stefan originally wanted to leave him some time to say goodbye to Jordan,

But Hogan himself picked up his suitcase and spoke, “Officer, let's go.”

Stefan sighed and said, “Okay, let's go.”

Hogan asked him, "Do you still need to put on the handcuffs?"

"No." Stefan waved his hand and said, "You are only suspected of illegal detention,"

"It is not a felony, we will take you back, and conduct a preliminary investigation,"

"Then take a statement, then the commissioner of the immigration bureau will come over to joint investigation,"

"If it is determined that your illegal detention is true,"

"We will start the repatriation process, then you will be sent to the plane by a person."

Hogan nodded, bowed slightly very politely, and said, "I have given you all trouble."

Stefan heard him say so, and all of a sudden also with some embarrassment coughed twice,

Said with a big deep meaning: "Ahem ..... Okay, I have to tell you, this matter of yours is not led by our police,"

"It is led by the Immigration Bureau, it is estimated that someone there received,"

"A report about your illegal stay, so they asked us for the follow-up."

Saying that Stefan also deliberately cursed and said: "Fcuk, I do not know what is so amazing,"

"Illegal stay in Chinatown, or illegal smuggling in the country, so many people have not reported, but you were reported."

Stefan's implication is to remind Hogan as well as Jordan,

That behind this matter there is someone doing the work.

Hogan naturally also knows, but he has long looked at this matter lightly,

So he said with just a slight smile: "After all,"

"I broke the law in the first place, others reported me, that is also reasonable."

Stefan did not expect that Hogan's mentality was so calm, helplessly said,

"Okay, I have read your information, you are a smart person,"

"Since you have already figured out the stakes, then I will not be here to talk more nonsense."

After saying that, he deliberately looked at Jordan and said:

"The whole process of arrest, investigation, and determination of deportation,"

"All down, generally take five to seven days, but your case is obviously special,"

"So the Immigration Bureau requires that the case be closed within three days,"

"But then, my boss was recently forced to retire early, so I'm not in a good mood,"

"So I plan to grind, estimated You have a number in mind if you have any other abilities,"

“Do not hide, seize the time to think of ways.”

Stefan had read Hogan’s information until he returned to Hong Kong will certainly be in danger of life,”

And he also knew that Hogan and Sara’s father are family friends,

If in this matter Sara’s family can help, it may be able to save his life,

So he deliberately mentioned the two, and even indicated that he would try to help delay Hogan’s repatriation time.

Hogan also heard the meaning of Stefan’s words, he looked at Jordan and said seriously,

“Ah Jordan, don’t contact anyone, I don’t want to owe anyone any more favors, understand?”

“I understand Uncle .....” Jordan cried and nodded, but in his heart, he already had his own calculations.

He felt that no matter what, he must inform Miss Gu, that right now she can save Uncle.

Hogan then smiled faintly at Jordan, turned, and walked out with Stefan.

Jordan ran after them and watched them take Hogan into one of the police cars.

The entire convoy then left Chinatown with its blinding police lights flashing.

When the caravan disappeared from sight, Jordan immediately returned to the store and wanted to call Sara.

However, he suddenly remembered that he did not have Sara’s contact information.

## Chapter 4538

After all, Sara is a big star, and every time she comes,

She is a valued guest of Uncle Chen, so he always works quietly with Uncle, and rarely has any communication with Sara.

He knows that the only way to save Uncle Chen is to have Sara know the situation,

But there is no way to contact her still makes him anxious.

Thinking of Sara's concert today, he hurriedly took off his apron and said to the diners in the store,

"I have something to do, please make yourself at home, please close the door for me if you are the last to leave, thank you!"

After that, he hurried out of the store and stopped a taxi to go to the show.

He didn't know if he had a chance to see Sara when he goes to the show.

But, at the moment, this is the only way he can do it.

.....

Meanwhile.

The An family, escorted by their own bodyguards as well as Stella and Karl, arrived safely at the Anbang Building.

After Stella sent the family into the building, she said to Old Master An,

"Master An, if there is anything you need from me recently, please feel free to contact me."

Master An nodded and said gratefully, "Thank you, Miss Fei!"

Stella said, "Don't be polite, it's all I should do."

Master An then added: "By the way Miss Fei, I have contacted one of my personal assistants,"

"When I was in the car just now, he and his team have come over from Los Angeles now,"

"It's hard for you to keep that corpses and the personal belongings, my people will contact you when they arrive."

"No problem." Stella said without thinking, "When he arrives in New York, just have him contact me directly!"

"Okay!" Elder An nodded slightly and said, "Then we'll go up first!"

At this moment, at the entrance of the elevator hall,

The security check equipment had been set up, and Marcus said to his parents and other family members,

"In order to prevent accidents, all of us have to do a comprehensive security check before going upstairs,"

"I have just had someone check the elevator and confirmed that there is no abnormality,"

"But we should be cautious, after passing the security check, enter the elevator in pairs and go upstairs in groups."

Marcus's caution did not cause anyone to object,

And everyone knew very well that safety was the most important thing at such times.

So, the old man and his wife went through the security check first and then took the elevator upstairs.

Marshal and his wife followed closely behind.

Only after everyone passed the security check and went upstairs,

Did Stella breathe a sigh of relief and didn't stay much longer,

Turned around and led the people to leave the Anbang Building.

The first thing Master An did when he led everyone to the top floor...

Was to close the physical partition on the top floor of the Anbang Building.

After closing the partition, he called his three sons and one daughter to the conference room,

And after everyone sat down, he took the lead and said,

"For the next seven days, all of us should not leave this place,"

"First wait and see how things develop, and if the danger is temporarily lifted, we will leave in groups."

After that, he said, "In addition, tonight's incident you can see,"

"The other party's purpose is not to get rich, but to exterminate the entire An family,"

"So, from the time everyone leaves, everyone in the An family must not gather anywhere outside the An family,"

"And at the same time to double our investment in security,"

“At all times to ensure that there are sufficient security personnel and sufficient security means!”

Marshal spoke up, “Dad, I suggest that in the future our security work should no longer rely on a small number of martial arts masters,”

“But should build a complete, comprehensive, and powerful security system, as the president has,”

“To form security personnel into multiple independently operating security systems,”

“To ensure that multiple systems from near to far, from inside to outside layers of cross-coverage,”

“And to do enough redundancy, even if one of the systems is down, the other systems can still work as usual!”

“That’s right!” Master An nodded and said seriously,

“Marshal, you have a delicate mind, you will be in charge of this matter,”

“From now on, security is the primary need of the An family, in terms of security,”

“Even if you invest more money, you will not hesitate to do so!”

## **Chapter 4539**

At the show, tens of thousands of people were excited to witness the first performance of Sara’s global tour.

The entire performance was almost flawless to the point of perfection, allowing all fans to be completely immersed in it.

Although Claire missed the opening minutes of the show,

The impeccable performance that followed for more than an hour made her leave her earlier regrets behind completely.

The performance, too, ended half an hour later than expected.

Because the fans at the scene have been strongly asking Sara for an encore,

She has returned to the stage five times and sang five songs,

But the fans are still not satisfied and are still shouting the slogan of the encore.

However, the performance could not be continued by the enthusiasm of the fans,

So when the show returned five times, Sara bowed deeply to the stage, and then,

All the lights were turned on, and the staff also informed everyone through the sound system.

That the show is over tonight, so please exit the stage in an orderly manner.

The fans all know very well that once the lights are all on and the ending message is played, the show is completely over.

Although they were not satisfied, they started to leave the stage in a very orderly manner.

Charlie then said to Claire: "Wife, let's go, while the crowd has not yet gone out,"

"It is more convenient to drive away, if we wait, tens of thousands of people have gone out,"

“The outside must also be jammed into a pot of porridge.”

Claire nodded gently and said petulantly, “Honey, you must not forget that you have to take me to the next show .....

“Okay!” Charlie laughed: “The next show should be the day after tomorrow in Boston,”

“The day after tomorrow I must accompany you there!”

Claire then satisfied, holding Charlie, smiled: “Then let’s go first.”

When the two of them came out of the box, the whole VIP area,

Already can not show any difference to a general eye. No smell of blood and meat.

Everything here in Claire’s eyes, there is no difference from the time of arrival.

When the two walked to the elevator hall, it happened that Tasha also came up in the elevator.

When she saw Charlie and Claire, she hurriedly went forward and said in a relaxed manner,

“Master Wade, Mrs. Wade, did you two enjoy the show?”

Charlie nodded and smiled: “Very good, Miss Gu’s performance was really great.”

Claire also said seriously and incomparably at the side:

“This is the most shocking concert I’ve ever seen .....

“The only regret is that I accidentally fell asleep at the beginning myself  
.....”

Tasha smiled faintly and said, “It does not matter, the day after tomorrow it is Boston,”

“I also reserved for you two VIP boxes, then you are welcome to come over to support the show!”

Saying that she continued, “Right Mrs. Wade, if I remember correctly, you and Master Wade should be in Providence, right?”

“Yes!” Claire nodded her head.

Tasha then said, “It’s very close to Boston, it’s just an hour’s drive away, so you two must come over then!”

Claire said happily, “Yes, yes! We’ll definitely come over then! I definitely won’t fall asleep again in the next show!”

Tasha glanced at Charlie, smiled and nodded, and said,

“Now the audience has started to exit, it is estimated that there will be traffic congestion near the arena,”

“You two should go out earlier, otherwise you may have to delay for several minutes if you are blocked.”

Charlie nodded and said, “We are planning to go first, so as to avoid traffic jams later.”

Tasha was busy saying, “Then I’ll send you two down!”

The three of them took the elevator downstairs, and Tasha sighed heavily after seeing Charlie and Claire get into the car.

She had just been dealing with the aftermath of the murdered staff,

And her emotions had been rather depressed, but considering that Charlie and Claire were VIPs,

She still managed to come over to exchange pleasantries,

And seeing that her task was completed, she didn't dare to relax a bit,

Because she had to rush to backstage to explain things clearly to Sara.

## **Chapter 4540**

And at the same time, outside the arena, Jordan came to the arena security guard and begged:

"I really know Miss Gu, I have a very important thing to find her for, a hundred thousand times urgent!"

"Please tell Miss Gu that my name is Jordan and I'm a fellow of Chinatown Roast Goose Restaurant, she will definitely know!"

The security guard scoffed at his words and said disdainfully,

"Come on, I don't know how many fans have come over tonight to make up stories with me,"

"And you're the worst one! You're a fellow of a roast goose store, how could Miss Gu know you?"

Jordan said eagerly, "I am telling the truth, if there is half a word is not true,"

"Lightning will strike! Please help me pass on a message, just pass on a message!"

The guard pushed him and said in disgust: "Come on, don't waste your breath here,"

"Not to mention I don't believe you at all, even if I did,"

"I'm not qualified to talk to Miss Gu, and you really look up to me!"

When Jordan heard this, he wanted to cry.

He finally understood that he used this method to find Sara, here was basically does not exist the possibility of success.

So, he had a bright idea and came up with a solution.

Although Sara was performing in this venue, she definitely did not live the place,

And after the show, she would definitely leave with her team in a car.

So, the best option is to wait for her car out, find a way to stop the car,

Even if it is directly into the road, or directly into her convoy,

As long as he can attract her attention, Uncle Chen will be saved!

Thinking of this, he immediately came to the exit of the VIP channel of the venue,

Because he clearly knows, Sara can not come out of the ordinary exit,

And then go to the parking lot to take the car, she must be directly sitting in the car from the VIP channel to leave,

He can simply wait for her here.

And at this time, Charlie drove his car, with Claire drove out from the VIP channel.

Because it was only one car, Jordan concluded that Sara could not be in this car, so he did not pay much attention.

However, when Charlie came out, he noticed him.

When he saw Jordan standing anxiously by the roadside,

He realized in his heart that something might have happened to the roast goose store or Hogan.

However, because Claire was around, he could not stop the car to ask him directly,

So he took out his cell phone while waiting for the red light and sent a text message to Sara,

Telling her that Jordan was outside the venue and might have something to ask her, so she could receive him.

At this moment, Sara is sitting in the make-up room to remove her make-up,

Several make-up artists around her, helping her to remove the headdress on her head,

And others began to help her remove the color of her face.

She also couldn't wait to take out her phone from the drawer,

Ready to send a message to Charlie to ask him how it was tonight.

Unexpectedly, before she could send a message to Charlie, she received a text message from him.

After seeing the content of the text message, she hurriedly asked the makeup artist beside her, "Where is Tasha?"

Just as the words left her mouth, Tasha pushed the door and entered.

Sara saw Tasha enter through the mirror and quickly said,

"Tasha, please help me go out to pick up someone, just at the exit of the VIP channel,"

"There is a person named Jordan, a fellow of Uncle's roast goose store."

Tasha waved her hand and said incomparably serious:

"Let him wait for a while, I have something more important to say to you  
....."

After saying that, she said to the makeup artists around Sara, "You guys go out first."

The make-up artists were also very sensible, immediately put down the things in their hands,

Turned around and went out of the make-up room.

Sara saw Tasha's expression was very ugly and quickly asked, "Tasha, is something wrong?"

Tasha came to Sara's side in dismay, and looked at her, emotions suddenly tensed up,

Covered her face and cried out: "Oooh ..... Sara ..... when you performing... .."

"There was a big event in the VIP area ..... a lot of people died....."

“Oooo ..... I... ..I ..... I’m fcuking scared to death .....
