

Chapter 4569

Knowing that Hogan was about to be deported soon, Gerard was in a particularly good mood.

For the past 20 years, he has always felt embarrassed,

And now he finally has the opportunity to make the other person feel ashamed.

Therefore, since yesterday, he has been counting the seconds,

In order to rush to Hogan when he is back.

As long as this man comes back, how many people in Hong Kong will try their best,

To kill him for the sake of their secrets.

As long as he died, the sword of embarrassment on his head would naturally disappear.

Just then, his cell phone rang suddenly.

So he took out his mobile phone and said carelessly: "Hello, who is it?!"

On the other end of the phone, Melba said lukewarmly,

"Mr. Liu, right? I'm Melba Watt from ISU Shipping."

Gerard's expression suddenly changed to a very flattering one,

Holding a cigar in one hand and a mobile phone in the other,

Watt said respectfully: "So it's Ms. Watt! I have admired you for a long time,"

"And I have been looking for an opportunity to visit you in person!"

After speaking, he hurriedly asked again: "By the way, Ms. Watt,"

"I don't know if my assistant has explained our situation to you before."

"We really hope to cooperate with ISU Shipping. Let's see if you have time,"

"And let's have a good chat. I will also like to have a chance to report our advantages to you face to face!"

For Gerard, his assets are naturally much stronger than that of professional managers like Melba.

However, to measure the value of a person, it is not only to measure his assets,

But also to measure the platform he is on and the resources behind him.

Although Melba has no assets of herself, she is the head of the entire ISU Shipping.

Now, ISU Shipping has abundant resources in Asia and is developing rapidly.

If he wants to cooperate with ISU Shipping and monetize the idle resources from Melba, he must be polite to her.

Melba said in a calm tone at this time:

"Mr. Liu, about cooperation, your people have introduced it to me before."

“I think cooperation is not unthinkable, but before discussing cooperation,”

“We still need to strengthen our understanding.”

Gerard said without hesitation: “Of course! This is what it should be!”

“Ms. Watt, when it is convenient for you, I will come to the mainland,”

“To meet you in person to share the information and introduce my team!”

Melba said: “Don’t trouble yourself, Mr. Liu,”

“It just so happens that my personal assistant is coming to Hong Kong in two days.”

“If you have time, I can arrange a meeting with you,”

“And he can represent me with full authority.”

Gerard said in surprise: “Wow, Ms. Watt, that can’t be more opportune!”

“I will be totally available for the next two days!”

Melba said, “Then I’ll tell you the exact time when his schedule is settled,”

“And then I’ll trouble President Liu to arrange a reception.”

“No problem. Absolutely no problem!” Gerard said cheerfully:

“I will personally receive him at that time! I will definitely make him feel at home!”

Melba smiled slightly: “Okay, let’s settle it first.”

After Gerard and Melba exchanged a few words, she just hung up the phone with a smile.

As soon as he hung up the phone, Gerard laughed loudly and excitedly:

“It’s really a double happiness, a double happiness!”

“Melba Watt from ISU Shipping will send her personal assistant to visit Hong Kong. Take it!”

Chapter 4570

The assistant said in surprise: “Mr. Liu, ISU Shipping is interested in cooperating with us,”

“Which is great! Now all the good routes are in their hands,”

“And high-quality ports and customer resources are also in their hands.”

“Here, cooperating with them will definitely release our shipping capacity!”

Gerard took a sip of the cigar and said with a smile:

“This ISU Shipping is Ito family’s and that Ito Nanako,”

“She is the most beautiful in the world, and from the Su family that Zhiyu is also not anything inferior,”

“I heard that even this Melba Watt is a super beauty that is one in a million,”

“And working with them is only a side matter, if you can only get to k!ss them,”

“It will really be a thing worth doing in your life!”

As soon as Gerard finished speaking, the door of the office was suddenly pushed open,

And a middle-aged lady with extraordinary temperament and incomparable beauty walked in,

With a gloomy expression: "Gerard! Who do you want to k!ss? Huh?"

"It can make you so excited that you don't even want to die!"

At this time, the female secretary beside the middle-aged woman said with an embarrassed expression:

"I'm sorry Mr. Liu... Madam, she insists on coming in and didn't let me report to you. ..."

Gerard shook his head and said to her and the assistant beside her, "You two go out first."

The two of them quickly turned and left after hearing this.

Immediately, Gerard came to the middle-aged lady with a face,

And said with a smile, "Wife, you know who I am talking about."

At this point, Gerard quickly changed the subject and said,

"Didn't you invite Mrs. Han to spend time with you today? Why did you suddenly come to me?"

The middle-aged lady folded her arms, looked at him coldly, and said sharply,

"I heard that people in Hong Kong are all gearing up to earn 30 million from your President Liu!"

After that, she asked angrily, “Why haven’t you spared Hogan?!”

Gerard at this moment with an innocent look said:

“Hey, wife, although I love you very much, but if you say that to me, I will be very sad!”

“I promised Philip Gu from mainland long ago, for his sake,”

“I won’t go after that Hogan, but this time you can’t blame me,”

“For him being discovered by the US Immigration Service, right?”

The middle-aged lady said angrily, “You think I’m a three-year-old child?”

“You must be playing tricks behind my back!”

Gerard raised his hands: “You’re wrong, wife! Hogan is caught by the immigration bureau,”

“And you think it has something to do with me?!”

“You can’t doubt that I told the secret, right?”

“I didn’t even know where he was for so many years.”

If I knew, could I wait until today!”

The middle-aged lady blurted out: “I don’t care if you are playing tricks on this matter,”

“I only have one request! You immediately take back the 30 million bounty,”

“And you will be responsible for entire Hong Kong.”

“Announcing that 30 million bounty is invalid!”

“You have lost it!” Gerard’s good face suddenly disappeared without a trace,

His eyes fixed on the middle-aged lady, and he said coldly:

“You fcuking think I’m a turtle? What you say, Take it back yourself?”

“What do you want people in Hong Kong to think of me?”

“Why me, Gerard, a respectable person, he embarrassed me,”

“You have been making me laughing stock for 20 years,”

“And now you want me to take back the bounty, wouldn’t that be like me taking that embarrassment to the grave with me?”

The lady was frightened by Gerard’s angry expression, she involuntarily took two steps back,

And her tone softened. She pleaded: “Gerard, I beg you...Hogan has been hiding outside for so many years,”

“And it has been very hard for him. This time he is sent back, so just let him go.”

“His mother is in her 80s. It’s not good, if he dies, she won’t have a few days left to live!”

Chapter 4571

Gerard was instantly furious, he whipped up his cigar, smashed it at his feet,

And slapped the lady on the face with a flick of his hand.

Then, ignoring her shocked look, he pointed at her and scolded her:

“Bella, don’t take a fcuking step! Do you think I don’t know that”

“You always went to see that dead old woman behind my back for so many years?”

“It’s for the sake of the husband and wife relationship, just bear with you!”

“It’s okay if you don’t know how to be grateful,”

“But now you are righteously running to ask me to forgive Hogan,”

“What the hell do you want to do? Do you want to run with him again? ?!”

Bella Fang is Hogan’s, first love.

When she was young, she was once known as the goddess of Hong Kong,

Causing countless rich and elites to bow down under her pomegranate skirt.

When Hogan went to study in the United States, she separated from him.

Then, Gerard, with the aura of the top rich man and the generosity of spending a lot of money,

Turned her into his lover with his affluence.

At that time, Bella almost owned the whole world in terms of material things.

She could take a luxury private jet in the early morning to feed the pigeons in the square in London,

And take the same plane to the romantic Aegean Sea in the evening.

When she woke up, she could choose to go shopping in New York or the luxury mall in Tokyo.

If she was not in a hurry, she could take Gerard's private cruise

And go from Hong Kong to the Maldives in the Indian Ocean or Tahiti in the South Pacific.

In short, at that time, what she wanted was at her fingertips.

But even so, after Hogan returned to Hong Kong,

Her old relationship with him was on the verge of breaking out.

At that time, she realized that even though she had all the material things,

There was still a vacuum in her heart that could never be filled, and that vacuum was Hogan.

So, when she and Hogan eloped to the United States,

The whole of Hong Kong couldn't understand why she left so decisively.

But after she arrived in the United States, she gradually realized...

That although the vacuum in her heart was filled, almost all the other things were missing too.

She could no longer find an impromptu destination on the world map,

After sleeping until she woke up naturally,

And she couldn't enjoy the world's most expensive and top goods and services like before.

At that moment, she realized what she had given up.

What she gave up was not Gerard, but all the extremes accumulated in all walks of life,

After the development of human civilization and society for thousands of years.

The private jet that she used to fly on had condensed for her,

The world's most cutting-edge civil aviation technology and the best interior decoration materials,

And the same was true of the cruise ship she used to take.

The clothes she wore were almost all the most expensive ready-to-wear in the commodity world,

And they are all carefully crafted by top designers;

And the jewelry she wore might have been also the rarest and scarcest part of the world.

Just even the mattress she once slept on was a work of art,

Made by a group of Swedish craftsmen, hand-picked from horsetails and goats.

Her basic necessities, food, and drink expenses were all the best in the world.

However, after she eloped with Hogan, she realized that even though they were both on a plane,

Sitting in a cramped economy class for more than ten hours turned out to be so painful.

As for cruise ships, it was a completely different world, all products, were out of reach for common people.

But now, her clothes were no longer luxury products tailored for her by top French,

British and Italian designers, but by the women workers in third world countries,

Stepping on the sewing machine that smelled of engine oil in a huge chaotic assembly line,

All the same cheap clothing made for millions of people.

Chapter 4572

At that moment, Bella realized what a stupid choice she had made.

It was also at that moment that she decided to do everything possible to return to Gerard.

Fortunately, after she came back, Gerard re-accepted her regardless of previous suspicions,

And even married her in an open and honest way.

For the next 20 years, she has been enjoying the best of everything in this world, just as she was back then.

However, Hogan was still a vacuum deep in her heart that could not be filled.

However, the more realistic Bella understood a truth:

Some vacancies can actually not be filled.

However, it was precisely because of the existence of this vacuum that,

When she knew that Hogan was going to be sent back,

And even when countless people were gearing up to take his life,

She still couldn't accept it, so she rushed to Gerard aggressively to ask for an explanation.

However, she overestimated her status in Gerard's mind.

And also underestimated hatred for Hogan in Gerard's mind.

The slap on her face made her panic for a while.

Because she was afraid that she would lose everything around her.

So, she hurriedly explained to Gerard:

"Gerard...don't get me wrong...I really have no other meaning...I just..."

Gerard said coldly: "Don't say it! I don't want to hear what you mean and what not,"

"I just want to tell you that you are not allowed to mention anything,"

"Related to Hogan in front of me in the future, otherwise, you will go as far as you can!"

Bella was terrified.

She knew that although Gerard liked her and had a strong possessiveness towards her,

She had always been wary of him.

Although she is married to him, she has always been insulated from him in terms of assets.

Before Gerard married her, he had already made her sign an agreement, To voluntarily give up all the common property of the husband and wife.

Therefore, as long as Gerard divorces her, she has no choice but to leave the house.

So, while weeping, she said to him, "I was wrong, Gerard..."

"Don't worry... I will never make you angry again..."

Gerard nodded expressionlessly and said coldly:

"Mrs. Han should still be waiting for you."

Bella said quickly: "Yes... Mrs. Han is still waiting for me at the racecourse..."

"Then I will go first, what do you want to eat at night,"

"I will ask the servant to make it ready."

"No need." Gerard waved his hand:

"I'm a little annoyed now, and I want to be alone for a while."

Bella said with sincerity and fear: "Okay...then I'll go first..."

After speaking, she turned around quickly and left in a panic.

...

The next day.

New York morning.

When Claire opened her eyes, Charlie was still sleeping soundly beside her.

She didn't know that he went out alone last night and didn't come back until before dawn.

After getting up, she asked the hotel's food and beverage department to bring breakfast.

Just as Charlie came out of the bedroom, she asked with a smile, "How did you sleep, husband?"

"It's good." Charlie smiled and replied casually.

One sentence, in fact, he didn't sleep at all, just lying on the bed,

Thinking about things related to that mysterious organization.

Claire greeted him and said, "Breakfast is here, come and eat it!"

Charlie nodded, and just as the two sat down at the dining table, Elaine made a video call to Claire.

As soon as the call got connected, Claire looked at Elaine in the video and asked with a smile,

"Mom, why did you call me so early?"

“Mom really misses you... You don’t know how lonely Mom is at home after you and Charlie left,”

“I really don’t want to stay in this home by myself for a minute...”
