

## Chapter 4615

When the crowd dispersed, they left behind a cake and a table of snacks.

Jemima's eyes were red, and she stared at the table full of food, even to the second floor.

Charlie looked at her and asked softly, "Missing mom?"

Jemima came back to her senses and nodded lightly, tears rolled down,

She quickly wiped them away with her hands, and said,

"Whenever the time comes on my birthday, I miss her so much..."

After speaking, she quickly smiled, looked at Charlie, stretched out her hand,

And said in a coquettish tone, "Give me a birthday present. Well, anything will do."

Charlie said embarrassedly: "What the trouble, I didn't know that it was your birthday today,"

"And I didn't prepare anything in advance..."

Jemima smiled: "It doesn't matter, You can do anything, just give me a coin."

Charlie thought about it and asked her, "Do you want a traditional pill that cures all diseases?"

Jemima couldn't help laughing: "No way... .. Do you really have traditional Pills?"

Charlie nodded and said seriously: "To tell you the truth,"

“I usually work part-time as a traditional medic,”

“And I always carry a few traditional Pills with me. I will sell one to someone with a good fate.”

Having said that, he took out a wax-sealed Blood Dispersing Heart Saving Pill from his pocket,”

“Put it in Jemima’s hand, and said very seriously:

“This is the birthday present I give you, and I wish you a happy birthday!”

Charlie said this, paused, and instructed:

“You must put it away, and don’t let others know or see it.”

“Don’t pass it on to others, it’s better to keep it with you,”

“If you are seriously ill or injured in the future, take it out and eat it,”

“It may save your life at a critical moment!”

Seeing that he was speaking so seriously, Jemima thought that he was deliberately teasing her,

So she cooperated and said, “Okay, I see, next time I have a period,”

“And the pain is so painful that I’m about to die, I’ll eat it!”

Charlie hurriedly said, “Don’t, don’t, don’t! If the effect of my powerful pill is a big bowl of rice,”

“And the pain you face is like a hungry ant,”

“You must not take out the large bowl of rice to feed this ant,”

“And you only need to pick out one grain from the bowl, and it will live for a long time.”

After speaking, he added: “If your period is unbearable next time,”

“Just scrape a little powder from it with a blade,”

“And soak it in water, the effect will be immediate.”

Jemima looked at Charlie in surprise, and asked,

“Are you sure you don’t wink at me, Or raise your eyebrows or something?”

“You said something so serious, I’m going to take it seriously.”

Charlie smiled: “It’s alright, you just listen to it.”

Jemima didn’t believe it, but she took it readily as he handed the Heart Saving Pill,

And said with a smile: “Thank you! This is the first birthday present I took the initiative to ask for from the opposite s3x.”

“Although it is a little strange to receive a powerful pill, I am still very grateful. I will treasure it well!”

“Okay.” Charlie nodded and instructed: “You must remember what I said,”

“And review it in your mind several times to ensure that you can recall it in the event of an emergency.”

Jemima nodded again and again, and said seriously, “Don’t worry, I will!”

...

When the two were eating on the street, the Zhong family was anxious like ants on a hot pot.

Tonight, Henry's father, Herman Zhong, was going to take Henry,

To the house of Jairo Hong, the head of the Four Dragons sect, for a banquet.

## **Chapter 4616**

However, Henry has been out since afternoon, and he has not come back,

And the phone cannot be reached, which makes him very anxious.

In the past few years, as Herman's business has grown bigger and bigger,

He actually really wanted to get rid of his relationship with Four Dragons,

But Jairo is also a clever man, so he didn't want to be treated by Herman as a night pot,

As he would take it to urinate when he wanted it.

And when he's not using it, he thinks he's stinking and wants to kick it away.

Herman also realized that Jairo has now regarded himself as a cash cow,

Just like he used to regard him as a backer, and is unwilling to let go of him for life or death.

Therefore, he could only try his best to find a way to stabilize Jairo.

Jairo recently made a lot of money in the business of smuggling frozen meat,

But due to the lack of scale, he hoped that Herman could come forward,

And register a shipping company to help him pick up goods from overseas to Hong Kong.

In addition, he also wanted Herman to spend a sum of money to buy him a batch of powerful speedboats,

So that he could smuggle frozen meat directly into the mainland through this channel.

In order not to give Herman a chance to refuse, Jairo, the godfather,

Was going to put down his body and invite his godson and grandson to the banquet,

And then put forward demands at the dinner table.

Even if he wanted to not come over, Herman could not refuse.

However, after waiting at home for a long time, Jairo was a little annoyed when he didn't see Herman's figure.

He made a phone call and said, "Herman! You're a jerk now! Even I can't stand up to you!"

"I've been waiting at home for you to eat with you at my age, and I haven't seen you until now,"

"Where are you? What do you mean? If you look down on your godfather, just say it straight,"

"I will never let you embarrass! The big deal is that all the help I gave you before was just feeding a dog, and we two will never get along!"

It's not like Herman doesn't know about Jairo's routine.

This man is scheming and good at attacking the heart.

The reason why he said that is nothing more than retreating.

He anticipated that he would not be able to borrow a donkey and say things that would never get along with each other,

So he deliberately showed weakness while steadily occupying the moral commanding heights.

Since then, he has had no choice but to apologize to him.

So, Herman hurriedly said humbly: "Godfather, how can I look down on you,"

"You are my godfather one day, and my godfather all my life. I can't be what I am today without your support!"

Jairo asked, "Then why haven't you come yet? It's too much to let go of my pigeons, isn't it?!"

Herman hurriedly said, "You're wrong, godfather! I was supposed to leave an hour ago,"

"But Henry this kid went out in the afternoon and told me to come back soon,"

"But he hasn't come back till now, I called him, but he couldn't get through,"

"I'm afraid that something might happen to him!"

Jairo yelled when he heard this. : "Fcuk! Who dares to touch the grandson of Jairo,"

"I will blow his fcuking head! Although I have no great prospects in this life,"

“I will give my life! Herman, don’t worry if it is true,”

“If someone dares to touch Henry, I will help you kill him!”

An old wanderer like Jairo could never speak with only one meaning.

The reason why he was so impassioned was to reassure Herman on the one hand,

But on the other hand, he was actually beating him.

The meaning of the words is very simple. Although I am old,”

“I still dare to play with others.”

“If you Herman dare to play tricks on me, I will dare to play with you!

## **Chapter 4617**

Herman is also a human being, and he understood what Jairo meant in an instant,

But he was not in the mood to care about it at this time, and hurriedly said:

“Godfather, why don’t you send some subordinates to help me check,”

“I... I’m really afraid that something will happen to this kid,”

“He has never had a phone call before switched off before.”

Jairo said in a big way: “Don’t worry, Herman, leave this matter to me,”

“And I’ll send someone to investigate. As for his whereabouts,”

“Tell me what time he left in the afternoon,”

“And I’ll have people check it from the moment he left,

And I’ll be able to follow the clues and find his whereabouts!”

Charlie and Jemima ate almost the same and started to cut the cake,

Four Dragons’ younger men had already found Henry’s Rolls Royce in the underground parking lot in Tsim Sha Tsui.

At that time, when Henry and his henchman and others tracked Charlie and Jemima together,

He thought he was smart and did not drive his Rolls-Royce.

After all, the Rolls-Royce was too eye-catching, and he was afraid that Charlie would find out in advance.

However, he, who was lying in Jemima’s trunk at the moment,

Never dreamed that Charlie had noticed them long before they set off.

When Four Dragons’s men found Henry’s Rolls-Royce,

They reported to Jairo while calling for surveillance in the parking lot,

Looking for clues after Henry left the Rolls-Royce.

At this time, the anxious Herman also came to Jairo’s house and waited for news from him.

Soon, the frontman returned the message, Henry actually got into the car of henchman Jim,

Along with Four Dragons, and left the parking lot with Jim and his men!

When the news came back, Jairo immediately instructed a middle-aged man beside him:

“Coach Lin, please contact Jim and ask where this kid is now.”

The person called Coach Lin immediately nodded and then picked up the phone,

Found the number and dialed it.

However, there was a prompt tone that the other party could not be connected temporarily on the other end of the phone.

Coach Lin frowned and said, “Sect Master, Jim’s cell phone should not be in the service area.”

“Go!” Jairo blurted out, “Go to Jim’s younger brother and ask where they are!”

Coach Lin immediately ordered. The orders were conveyed layer by layer,

The result was that all the members of Four Dragon’s men,

Who appeared in the video with Jim, without exception, all had disappeared.

When Herman heard this, he subconsciously said:

“Godfather! Could it be that black chicken turned against the water and deliberately kidnapped my son for ransom?!”

Jairo waved his hand: “You don’t have to worry that it was the black chicken who kidnapped Henry,”

“The black chicken’s I know the situation very well, this kid’s whole family is in Hong Kong, he doesn’t have the guts.”

Coach Lin on the side said sharply: “Sect Master, Mr. Zhong, I suspect that there must be some kind of accident with young Mr. Zhong and Jim.”

Jairo said coldly, “I don’t believe it, there are still people in Hong Kong,”

“Who dare to touch my godson and my subordinates! Who is so bold?!”

Coach Lin said, “Sect Master, I have already sent people to follow up.”

“Jim and the others have a small moving line of vehicles,”

“Hong Kong is not big, they should be able to find out their whereabouts soon!”

“Okay!” Jairo said immediately: “Coach Lin, you have to do it yourself! In an emergency,”

“I am afraid that only you, Coach Lin, can handle it with ease.”

## **Chapter 4618**

Coach Lin clasped his fists in both hands, and said loudly,

“Sect Master, don’t worry, Lin must go all out!”

After speaking, he said to the two: “Sect Master,”

“Mr. Zhong, I will leave first, and I will tell the two of you as soon as there is news!”

Coach Lin turned and left, seeing Herman’s anxious face, Jairo comforted him:

“Herman, you don’t have to worry too much, I believe that no one in Hong Kong would dare to do anything to them.”

Herman said with a bitter face: “Godfather, to tell you the truth, even if the black chicken is not suspected,”

“I am afraid that there will be other desperadoes who want money or what not. Kidnapped Henry for ransom!”

Jairo waved his hand: “Herman, it doesn’t matter if someone from outside kidnaps Henry,”

“Coach Lin is a three-star warrior I dug with a lot of money,”

“And with him, no matter who dares to harm Henry, I want him to die without a burial place!”

Herman asked in surprise, “Three-star warrior?! Godfather, where did you invite such a true fighting god?”

Jairo smiled slightly and said arrogantly:

“Coach Lin used to be a three-star warrior in the famous Cataclysmic Front.”

“Two years ago, he was expelled from the Front for violating discipline.”

“Since then, he has come to Hong Kong and wants to open and make a living in the martial arts hall,”

“And there were some conflicts with my subordinates. At that time, I went there with six men,”

“And he abolished five in one breath. He was brought under my command.”

After speaking, Jairo looked at Herman and said seriously:

“Look, a three-star warrior, in my place, is a great god, I have to make offerings every day,”

“But Four Dragons’ income is not very good now. I’m optimistic,”

“The economic pressure here is also very high, and next, I have to ask you to help me more.”

Herman sighed in his heart.

He had never known that there was a three-star warrior sitting here with Jairo, and he was very worried right now.

After all, the strength of the three-star warriors is strong. If they are used as killers,

They can definitely kill people invisibly. This means that once he and Jairo are torn apart,

He is likely to let himself die without knowing it.

Therefore, Herman couldn’t help shrinking his neck, and immediately said:

“Godfather, why are you being so polite to me!”

“If there is anything I can help you with, you can just say it.”

After speaking, he deliberately pretended to remember something, he said in surprise:

“By the way, Godfather, Gerard Liu, didn’t he put 30 million US dollars in head bounty and plan to kill Hogan Chen who gave him a green hat?”

“Since the Coach Lin is already a great Martial artist, let him come forward,”

“The 30 million US dollars is not as easy as searching for something?”

Jairo snorted coldly: “I’m not angry if you don’t say this, Coach Lin is indeed very interested in this matter,”

“But today he had already greeted me in the afternoon, saying that this was his personal act,”

“If he succeeded, then the 30 million US dollars of bounty has nothing to do with Four Dragons, it belongs to him alone.”

Herman frowned and said: “There’s such a thing?! Then this Coach Lin is too arrogant, right?”

“What’s more, he is a Four Dragon person, how can he bypass Four Dragons and act alone?”

Jairo said very angrily: “In order to clear up the past with him and let him use it for me,”

“I did agree to many of his requests, the most important of which was that he did not want to officially join Four Dragons,”

“But using the Coach’s advice. In the name, he was hired to train men for Four Dragons,”

“And he also demanded freedom to come and go at his will, I can’t stop him,”

“So now he wants to snatch Gerard’s bounty by himself, I have no fcuking way to stop him!”

“Tsk... ..” Herman couldn’t help frowning, and said with emotion:

“It seems that this person is really not so controllable!”

While speaking, what he thought in his heart was, since this Coach Lin has not officially joined Four Dragons,

And he is more in love. If he has money, then he may be able to find an opportunity to contact him in the future.

If he can convince him then he can use him for himself, it will be even better.

Jairo didn't know what he was thinking, so he just took the opportunity to cry and said:

"Herman, I originally thought that after winning the \$30 million bounty this time,"

"Four Dragons' economic situation would have a relatively large link,"

"But now it seems that I'm afraid this matter is going to fail."

After speaking, he raised his head to look at Herman, and said seriously:

"Herman, with Four Dragons' current difficulties, I can only rely on you to help!"
