

Chapter 4531

Marcus's words made Charlie's whole body startled.

Since his parents were killed back then, he has always wanted to find out the truth,

But until now he did not find a tangible clue.

When he heard Marcus mention his mother, he immediately put on twelve points of spirit,

Waiting for the An family's follow-up, and also expecting them to reveal some insiders.

However, in the next words Elder An poured a pot of cold water on Charlie's head.

He said in a serious tone: "After the murder of your sister and your brother-in-law we have not yet found any clues,"

"I once thought that the Routhschild family was responsible,"

"But after so long, there is no evidence that they had a direct relationship with this matter,"

"You said this matter may be related to the murder of your sister,"

"But I do not understand why they have been so long Why don't they stop?"

"Your sister and your brother-in-law, how on earth did they offend them back then,"

"Can let them after such a long time, still deliberately want to kill our family?"

The crowd immediately fell into silence.

And Charlie, the whole person was also struck by lightning.

He once thought that the Routhschild family must have been involved in the death of his parents.

During this period of time, he had been desperately trying to accumulate energy,

And improve his overall strength, just to prepare for the day when he would face this formidable family.

However, listening to Grandpa, it seems that this matter is not obviously related to that family anymore.

This instantly put him in a quandary again.

He really couldn't imagine that besides a super family like Routhschild,

Which was rich and could be a match, what other family could be so powerful.

That even the An family didn't put it in their eyes.

Although the Saoudi royal family is also very strong in financial resources,

The characteristics of that group of Middle Eastern tycoons are also very obvious,

They are simply not willing to get involved in matters outside their homeland.

They have little ambition for foreign expansion in their lives,

Instead, they just want to use all means to ensure that their own family's kingdom is secure.

It's as if they bought dozens of cannonballs from China 20 or 30 years ago at great expense,

Not for foreign expansion, but to enhance self-defense and deterrence.

To put it bluntly, this is a landlord's foolish son, guarding a large amount of family wealth,

Desperately want to build their own walls higher and stronger,

And he does so with only one purpose: I won't go out, none of you come in.

So, Charlie can also conclude that the death of his parents has nothing to do with the Saoudi royal family either.

But then, the whole thing started to get confusing again.

Not the Saoudi royal family, the Routhschild family does not seem to be related, so who could it be!

Just when he was having a headache, Stella took Karl,

Arrived outside the door of the box where the An family was and knocked gently on the door.

When the old man heard the knock, he hurriedly opened his mouth and said, "Please come in!"

As soon as the words left his mouth, Stella pushed the door and entered.

The moment they saw Stella, the An family members were all amazed.

They all knew her and before today's accident,

They were discussing her return to the Fei family,

And miraculously becoming the new head of the Fei family.

Moreover, they were all very appreciative of Stella's textbook-level crisis communication.

Therefore, as soon as she entered the door, they recognized her at a glance.

After entering the door, she said very politely to the old man,

"Elder Mr. An, I am Stella Fei of the Fei family,"

"This time I was entrusted by my benefactor to come over to help,"

"And my benefactor said that you can first call your men to come over for support,"

"And after determining an absolutely safe place,"

"I will arrange for them to escort you all the way."

Chapter 4532

Everyone was surprised at this time, but Marcus asked, "Miss Fei!"

"Who is the benefactor you are talking about? Is it the benefactor who saved us just now?!"

Stella nodded and said, "That's right, it's him."

Saying that, she added: "The benefactor asked me to come over to help deal with the scene,"

"So I brought people here urgently, and now that the outside has been dealt with, all of you can prepare to leave."

Master An said in a very polite tone, "Little girl,"

"I would like to dare to ask, this benefactor, what kind of person is he?"

"He is the life-saving benefactor of more than ten members of our An family,"

"This kindness, we want to find an opportunity to properly repay!"

She said "When my grandfather and I were in China,"

"My eldest uncle took advantage of the opportunity to take away the family headship,"

"And paid a lot of money for my life and grandfather's. But the benefactor saved us and protected us closely."

He asked me to convey to you that he does not like to be noticed and come out,"

"So you are strictly warned not to try to investigate his identity,"

"Otherwise you will be responsible for the consequences!"

When Old An heard this, his expression was instantly extraordinarily disappointed.

He couldn't help but say, "The benefactor saved our family's lives,"

"And helped us find out the traitor lurking in the family,"

"Such a great kindness, at least give us a chance to pay our respects and repay the kindness in person"

Stella waved her hand and said seriously:

“Mr. An, there is no need to say it again, the benefactor has helped countless people,”

“Saved countless people, not to mention that you all owe him a debt of gratitude,”

“My grandfather and I have also received his profound kindness,”

“And have always wanted to find an opportunity to repay, and because of this,”

“I am here today, so if you all really want to repay the benefactor’s kindness,”

“There will be opportunities in the future, no need to rush.”

Master An nodded gently and said, “Thank you, Miss Fei, I understand.”

“If there is an opportunity, please convey this to his Excellency on my behalf,”

“If his Excellency needs anything in the future, the whole An family will not dare to refuse!”

Stella then said, “Okay, I will definitely convey your words to your Excellency.”

After that, she took out her cell phone and handed it to Master An, saying,

“There is no signal in the room, so please move to the door and call your security team.”

As soon as Stella’s words fell, a pink cell phone lit up,

Among the pile of An family’s belongings on the coffee table, seemingly having received a push.

Seeing this, Marcus hastily picked up his own phone and, after unlocking it, exclaimed,

“The phone has a signal! What’s going on here?!”

Elder An frowned slightly and said in a cold voice:

“We haven’t touched anything here, I guess the shielding device was on Amelia all along,

And after she went out, the signal is restored.”

Marcus subconsciously exclaimed: “..... fortunately she brought only shielding equipment,”

“If it was a bomb, then the consequences would have been unthinkable

Tece spoke: “Second brother if the third sister-in-law carried a bomb,”

“It would have been very difficult to pass the airport security.”

Marcus smiled to himself, “That’s true

After saying that, he then said to the old man,

“Dad, I’ll call and arrange for someone to come over, let’s hurry back to Los Angeles!”

Master An shook his head and said, “Not to Los Angeles, go back to Anbang Mansion!”

“Anbang Mansion?!” Marcus asked with a surprised face,

“Dad, we are going to Anbang Mansion? The security level there is not enough, right?”

The old man said decisively, “Thanks to your sister’s blessing, it’s the safest place!”
