

## Chapter 4517

Charlie's icy cold order made Marshal's heart deep in grief.

Duncan was his good brother, they grew up together, today his good brother died,

Because of his own family's affairs, he could not even tell his family about his death,

This makes him deep down unable to accept this.

However, he is not that three-year-old child, or like those,

Who have not experienced the social beatings of the giant baby,

He knows very well that the current situation has been completely out of his hands.

To survive is already the greatest luck, what else can you ask for?

The only thing he can do is to do everything possible,

To make up for Duncan's family after today's events have passed.

So, he could only nod honestly and say, "Thank you, my lord,"

"I understand, I will definitely follow your orders!"

The reason why Charlie used such an unquestionable tone was to cut off,

Marshal's other thoughts, and make him do exactly what he asked.

Seeing that he had accepted the reality at this moment, he very simply closed the door.

Afterward, he took out his cell phone and walked in the direction of the elevator entrance,

While making a phone call to Joseph.

Once the call connected, Joseph's voice came through: "Mr. Wade, what are your orders?"

Charlie asked him, "Joseph, you arrange all the manpower left in New York to come to Miss Gu's performance venue,"

"Just now more than twenty armed men came here to snipe the An family members,"

"Basically they were all killed by me, I need you to help me deal with c0rpses."

After hearing this, Joseph asked with a horror beyond measure, "Mr. Wade are you okay?!"

"I'm fine." Charlie blandly said, "It's just that,"

"There are too many c0rpses and it's troublesome for one person to handle them."

Joseph was busy saying, "Your subordinate will bring someone there!"

Charlie asked curiously, "You haven't left New York yet?"

Joseph said, "Back to Mr. Wade, I haven't left for the time being,"

"It just so happens that there is an equipment dealer in New York that,"

"I have been working with him for many years,"

“And I plan to purchase a batch of heavy equipment to be shipped to Syria.”

Saying that he hurriedly added,

“Mr. Wade, most of the soldiers of Cataclysmic Front have already departed this morning to Syria,”

“Now there are only a dozen people on hand, is that enough?”

“It’ll work.” Charlie lightly said, “I asked Stella to send some men over,”

“She is a New York sitter, manpower should not be a problem.”

Joseph gave a sigh of relief, then said,

“Then, Mr. Wade, wait for a moment, your subordinate will come over.”

Charlie hmphed and spoke: “Then, prepare more body bags, I’ll wait for you here.”

As he was talking he had already arrived next to Duncan’s corpse.

He hung up the phone, took off the thin jacket he was wearing, and covered Duncan’s body,

And then sent a few auras into his body to maintain his current state.

After that, he picked up the phone again and called Stella.

Stella on the other end answered in almost a second,

And said with a bit of surprise in her voice, “Mr. Wade!”

“It’s me.” Charlie opened his mouth and asked,

“Miss Fei, I have something I need your help with.”

Once Stella heard Charlie say that there was something he needed her help for,

She said almost without thinking, “Mr. Wade, please say it,”

“As long as it is something I can do, I will definitely do anything!”

Charlie said, “I’m at Miss Gu’s performance venue, and I’ve encountered a small situation here,”

“I need you to bring enough people to block the entire VIP entrance and exit.”

Stella did not hesitate to say,

“No problem Mr. Wade, I’m closer, I’ll bring people over right away!”

## **Chapter 4518**

As soon as he hung up the phone, Sara’s concert also officially began.

Sara, who was totally unaware of what was happening,

Made a shining appearance in a futuristic warrior costume,

And the entire audience of fans shouted wildly in excitement.

Charlie saw that the show started normally, so he was a little relieved.

The best solution to tonight’s matter is to clean up the mess here,

While the show is going on normally, and not to draw outside attention, let alone attract the police.

Otherwise, once the panic is triggered, tens of thousands of people will attempt to flee,

And for sure triggering a stampede, do not know how many people have to die.

As long as the scene is basically handled here, tomorrow let Tasha announce that the venue is closed for upgrading,

And then in the VIP area, the floor and the wall ceiling will all be removed,

All landfilled, otherwise, today so many people, so much blood,

Even if it is washed clean, the floor crevices, and the depths of the wall will always have DNA residue.

The only way to handle is to make sure the whole place has no evidence of death.

Ten minutes later, Stella arrived at the scene in a flash.

She brought dozens of bodyguards to directly block the entrance and exit of the entire VIP area,

Then she took the elevator to the upper floor, and as soon as the elevator door opened,

She saw Charlie standing here, as well as the corpse of Duncan on the ground.

Since Charlie was using clothes to cover the severely injured upper torso,

And did not cover Duncan's face, Stella recognized him at a glance and exclaimed:

"Mr. Wade ..... You ..... You killed Inspector Li?!"

Charlie shook his head and said blandly: "I really didn't kill him, the murderer's body is inside."

Stella almost subconsciously wanted to go in and take a look,

Charlie stretched out his arm and stalled her in the front, faintly saying,

"The scene is too bloody, you better not go."

Stella pursed her lips and said,

"Mr. Wade, my people are guarding below, why don't I call them up to help you!"

Charlie shook his head and said, "No need, Joseph will bring someone over later to dispose of the corpses,"

"Your people are only needed to help me guard the entrances and exits here,"

"Including the entrances and exits on the first floor leading to the inner arena and backstage,"

"All of them should be blocked, except for the people of the Cataclysmic Front,"

"No one else is allowed to come in, including the staff of the show, and the Police."

"Okay!" Stella immediately said solemnly, "Don't worry, Mr. Wade, I'll arrange it right away."

After saying that, she took out her cell phone and instructed Charlie's order to her bodyguard.

Only then did she say to Charlie, "Mr. Wade, there are a few corpses in the lobby on the first floor,"

"All of them were shot to death, and they look like staff members."

Charlie nodded and said, "The other party killed all the way up, they must have killed on sight."

Stella asked, "Mr. Wade, were these people coming for you?"

Charlie shook his head and said, "They came for the An family,"

"A large number of An family members are here today to watch the show."

Stella's eyes widened and she asked offhandedly, "Your grandparents' entire family is here?"

"Yes.", Stella asked, "Then are they okay?"

Charlie said, "Yes, a little shocked, now still in the box."

Stella asked in a low voice: "Then ..... Then have you identified with them?"

In Stella's opinion, Charlie's current comprehensive strength had basically reached its peak,

And if he could identify with his grandparents' family, then no one could even look up to him.

"No." Charlie smiled blandly and spoke, "Fortunately, I had a bright idea,"

"And broke all the lights in the corridor, so they shouldn't be able to see me."

Stella looked surprised and asked offhandedly,

“Mr. Wade ..... This time, although the situation is very dangerous,”

“But also a very good opportunity to identify .....

“Why don’t you take advantage of this opportunity and go with the flow?”

Charlie smiled to himself and sighed: “Instead of wanting to push the boat with the current,”

“I now want to pull the boat in, or even let the boat go upstream .....

“Against the current?!”

Stella was even more surprised when she heard Charlie’s words.

She really couldn’t understand why he was so resistant to identifying with his own grandfather.

## **Chapter 4519**

At this time, Stella received a phone call, and the person on the phone said,

“Eldest Miss, Supreme Commander Joseph Wan of the Cataclysmic Front has arrived and has already brought someone in.”

“I know.” Stella answered and said to Charlie, “Mr. Wade, Supreme Commander Wan is here.”

As she was speaking, the lights of the two elevators flashed,

And a moment later, the doors of the two staircases opened,

And Joseph rushed out with more than ten soldiers of the Cataclysmic Front.

When he saw Charlie, he led and arched his hand, “Mr. Wade, I’m late!”

The soldiers also immediately arched their hands and said in unison, “I’m late!”

Charlie blandly said, “You all have come very quickly.”

Joseph hurriedly asked, “Mr. Wade, how is the situation now? What do I need to do?”

Charlie spoke: “There is a bandit with broken limbs still alive, take him away,”

“I still have something to ask him, the rest of the people inside are dead,”

“You take all the bodies away and dispose of them properly,”

“Then clean up the blood and bullet marks at the scene.”

Joseph’s expression was astonished, and he said, “Then we will start to deal with it now.”

Then, he immediately led his men to the corridor.

The corridor was pitch black at this time but after all,

Joseph was an eight-star martial artist with extraordinary strength,

So he could see very clearly even though the light was faint.

When he saw the scene, the whole person was dumbfounded.

He has seen piles of dead people, but such a bloody scene, for him it is the first time.

The other Cataclysmic Front soldiers are also hard to hide the shock,

The rich smell of blood is all over, so everyone has some physical discomfort.

Joseph was the first to come back to his senses and said in a cold voice,

“Prepare the body bags, fill them up with the dead ones.”

“Okay!” The people nodded and immediately took out the black thickened body bags from their pockets and started to handle the corpses.

As each corpse was put into a body bag, Joseph’s heart became more and more shocked.

What shocked him was not the bandits whose legs had been cut off by Charlie,

And who had taken poison to commit suicide,

But the four martial arts experts with extremely high cultivation levels.

These four martial arts experts, each of them was completely disfigured by the bullets,

And it was not an exaggeration to say that each of them had at least thirty to forty bullet holes in their bodies,

And almost no part of them was intact from head to toe.

Even, Joseph could only tell from their mutilated corpses that one of their meridians was open,

But could not determine how many stars they were,

Because most of their meridians had been shattered by the bullets.

After all the c0rpses were put into the body bag, Joseph tugged the collar of the one,

At the head and stuffed it into the body bag as well, while instructing the others,

“This one is still alive, take it away separately, Mr. Wade has other uses for it.”

“Okay!” The handlers nodded hastily and made a mark on this body-shrouded bag.

These soldiers of the Cataclysmic Front moved quickly,

And in a few minutes’ time, nearly thirty c0rpses were all packed.

After that, they started to carry these body bags downstairs through the elevator.

As they stood in the pool of blood for too long, when they walked out,

They left large blood-red footprints on the ground outside.

Stella saw the way these people from Cataclysmic Front were all covered in blood,

With a strong smell of blood on them, so she didn’t need to see it to think how tragic the situation inside really was.

Joseph came to Charlie and said, “Mr. Wade, the c0rpses are loaded,”

“We will immediately arrange for the first transfer out of New York,”

“And then arrange for someone to transport them to the high seas as soon as possible to dispose of them,”

“As for the one who is still alive, I will send him to the villa first and lock him up.”

Charlie nodded: “Good, thank you all for your hard work.”

Joseph opened his mouth and asked, “Mr. Wade, there are still four martial arts masters inside,”

“I wonder what their cultivation level is and why they died so badly?”

Charlie said indifferently, “A six-star martial artist, two seven-star martial artists, and an eight-star martial artist.”

“Eight-star martial artist?!”

## **Chapter 4520**

Joseph’s jaw dropped in disbelief.

One should know that the highest martial artist is only eight stars,

Which corresponds to the martial artist’s eight odd meridians,

And those who have opened the eight odd meridians are eight-star martial artists.

And Joseph now is only a small realm higher than the eight-star martial artist.

An eight-star martial artist would die so tragically, this really left him unable to digest!

Charlie saw his astonished expression, so he asked:

“Is it that you didn’t expect that an eight-star martial artist would die so miserably?”

“Even the sky spirit cover was shattered.”

“Yes .....” Joseph said incomprehensibly, “I’m not going to hide it from you, Mr. Wade,”

“Your subordinate really can’t figure out why these four people would die so tragically .....”

“Such strong strength, ordinary people should be difficult to get close to them right,”

“And they are supposed to be bodyguards, the sense of prevention should be very strong,”

“They should not give the other side the opportunity to get close to shoot .....”

Charlie coldly said: “Joseph, this is your bones as a martial artist’s high arrogance,”

“You always think that martial artists are very strong,”

“But you have not thought that martial artists also have a lot of shortcomings.”

Saying that, he asked him, “If more than twenty people suddenly appeared at the end of this corridor,”

“With nowhere to hide and they saturate you with fire, how many rounds do you think you can survive?”

Joseph seriously said, “I think I should be able to spot each of them before they appear,”

“After all, they are not eight-star martial artists, it is impossible to hide their breath and movements.”

Charlie asked again, “Then what if the other side took advantage of the show just about to start,”

“Outside the sound is full of cosmic war explosion roar?”

“You can still sense the other party’s breath and movement?”

“This .....” Joseph’s expression was austere, ashamed to say:

“If that’s the case, then I should not be able to do .....”

Charlie asked him again, “If more than twenty people suddenly appeared and used powerful modern firearms,”

“To shoot six or seven hundred rounds of bullets in a few seconds, could you stop them?”

“This .....” Joseph’s expression was even more shocked,

And he froze for a long time before shaking his head and saying,

“If it’s six or seven hundred rounds of bullets in a few seconds, I ..... can’t stop .....”

Charlie said: “I do not know if you look at the details of the firearms they use,

Each of them under the gun inserted on the magazine, tape tied to the opposite direction of the magazine,”

“After the bullet is shot, just need to pull out the magazine, then go for a reverse re-insertion,”

“Two or three seconds later, you can again shoot six or seven hundred rounds of bullets,”

“This kind of firepower, in this kind of aisle can not be avoided,”

“Not to mention this kind of firepower, in this kind of aisle where there is no way to hide,”

“Not to mention an eight-star martial artist, even a martial arts expert like you,”

“Who is at the full circle of the Ming realm, can’t resist.”

Speaking of this, Charlie lamented: “This is like the African hyena group hunting,”

“Although the tricky, but as long as the tacit understanding is there,”

“They can be invincible in the grasslands, even the king of a hundred beasts, they can also kill them.”

“Yes .....” Joseph gave back a cold sigh and spoke: “Subordinate definitely learned a lesson!”

Charlie nodded and said, “It’s good that you have it in your heart,”

“It’s getting late, first let the brothers grab the corpses and get rid of them.”

“As you wish Mr. Wade!” Joseph said, and pointed to Duncan’s corpse and asked Charlie:

“Mr. Wade, will this Inspector Li’s corpse also be taken away and disposed of?”

Charlie shook his head: “No, he’s not dead yet.”

After that, he looked at Stella and said,

“Miss Fei, I have heard before that there are many rich people with terminal illnesses in the United States who freeze themselves before they die,”

“Hoping that future technology can cure them, is there such a thing?”

Stella said: “back to Mr. Wade, this situation is quite common,”

“Basically every top rich people have their own investment in the freezing center,”

“Even when they exhaust all modern medical means and can not continue to live after,”

“They will freeze themselves, this in the rich circle, known as the future hibernation plan,”

“In the hope that can be reawakened one day in the future, when the medical field has developed further. “

“The freezing center using liquid nitrogen can maintain the body temperature at about minus two hundred degrees,”

“But many biological experiments have been done before, without exception,”

“All failed, the current level of technology, can not wake them up from the frozen nature,”

“Everyone is also treating it as the last bit of luxury.”

Charlie asked her, “The Fei family also has his kind of frozen center?”

“Yes.” Stella nodded and said, “Grandpa invested in one ten years ago, and it’s still running.”

Charlie nodded, pointed at Duncan, and said to her,

“Then make arrangements to send him there at the earliest!”
