

## Chapter 4577

Twenty minutes later, Charlie and Claire received Elaine at the airport.

After a long absence, seeing Claire and Charlie, Elaine was extremely excited, and said cheerfully:

“Hey, Claire, Charlie, during this time, your mother was about to die!”

Claire said with a smile: “I thought You must be very comfortable when you are at home by yourself.”

Elaine smiled and said, “Comfort is a different matter, but it’s so lonely to be alone all the time!”

After speaking, she said angrily, “When I came to the United States this time,”

“I forgot to exchange to US dollars and forgot to bring my bank card back home,”

Claire didn’t think much, and said with a smile: “Mom, you came to the United States to find us,”

“How can we let you pay? Don’t worry about the money, just stay here.”

Charlie also interjected: “Yes, Mom, you are in the United States,”

“We must not let you spend your money, electronic payment here is different.”

“It’s convenient, I’ll give you a visa credit card and get you some cash.”

After speaking, he said again: “By the way, the law and order is not very good,”

“So you must not carry too much cash when you go out.”

When Elaine heard that Charlie was going to give her a card and cash,

Her eyes lit up with excitement, and she said excitedly, “You really deserve to be a good son-in-law,”

“Otherwise everyone would say that a son-in-law is half a son.”

“But having a son-in-law as filial as you is more reliable than having a son!”

Charlie smiled slightly, noncommittal.

He knew Elaine’s character too well, and regardless of her fiery enthusiasm,

He wanted to make a hole in the sky, but as long as he gave her a little favor,

Her attitude would immediately take a 180-degree turn.

Therefore, Elaine can be pinched for a small amount of money,

Which is also a very cost-effective deal for Charlie.

Later, the two drove her to the hotel.

When Elaine entered the presidential suite, she was speechless, in utter shock.

She ran around the room for a few laps, but couldn’t understand the layout of the entire suite,

So she kept exclaiming: “Oh my god, this presidential suite is too big!”

“Only you two live here for so many days? What a waste!”

Claire said helplessly: “I didn’t know that Charlie booked such a big room, it’s really too wasteful...”

Charlie smiled at this time: “It’s okay, I can make money. Is it not just for spending?”

“Besides, this cost is not too big, and the income from going to show people the feng shui,”

“Is more than enough to live here for a few months.”

Elaine couldn’t close her mouth and praised: “It’s still my son-in-law is amazing!”

“He is making money like a printing machine!”

Claire said hurriedly: “Mom, it’s not easy for Charlie to make money,”

“He’s running around everywhere, and he even went to New York a few days ago to show people Feng Shui. “

Huh!” Elaine exclaimed: “Does my son-in-law do business in the United States? It’s really amazing!”

Charlie said casually: “It’s all based on some friends to introduce each other,”

“Because they believe in me, so they also keep introducing me to some new customers.”

“Generally, as long as it is a customer introduced by a friend, I will try my best to pick up the next one,”

“Not only to make money but also to not be able to refute my friend’s face,”

“Otherwise my friend kindly introduces me to his client, and if I didn’t take orders from others,”

“It becomes difficult for this friend who gets caught in the middle.”

Elaine nodded in agreement and said: “My son-in-law is right, people do it out of face for us.”

“When introducing customers to us, not only can we not shirk,”

“But we have to serve them well so that they can introduce more customers to us!”

Claire said helplessly: “Husband, you should talk to your friends and let them know.”

“They will introduce fewer clients to you in the future so that it can be easier for you to handle.”

Before Charlie could speak, Elaine blurted out: “Good son-in-law,”

“You can’t just think about relaxation at such a young age!”

“Don’t listen to her, Young people just have to have a positive and hard-working heart.”

“How can they lie down in their twenties? In modern society,”

“Money is hard to earn and it is hard to eat.”

“The most important thing is to earn more money and keep it in the bank account!”

## **Chapter 4578**

Claire said: “Mom, what I mean is let Charlie take fewer orders,”

“I am not asking him to lie down all day doing nothing.....”

Elaine said seriously: “It is the right way to make more money while you are young.”

“If you don’t work hard when you are young, it will be too late to work hard when you are old!”

“Don’t be like your father, you will be confused all your life!”

Claire didn’t know how to refute it.

At this time, Charlie suddenly received a call from Joseph.

So he immediately pressed the answer button and said, “Hello, Mr. Wan.”

Joseph on the other end of the phone immediately said,

“Hello, may I speak to Master Wade! I was introduced by President Chen.”

“I would like to ask you to see the feng shui of my house.”

Charlie hurriedly said: “Oh, so it’s Mr. Chen’s friend!”

“Hello,! I don’t know what’s going on in your house?”

Joseph said: “My house is on Shixun Road in Hong Kong,”

“It is a villa with an area of about 8,000 square meters.”

“Recently, my family members are getting injured or falling ill for no reason.”

“Many things are not in order, so I feel that there should be a problem with Feng Shui,”

“So I want to ask for a Feng Shui. I wanted to see a master and Mr. Chen recommended you to me,”

“Saying that you are very professional in this field!”

Charlie asked in surprise: “Your home is Hong Kong?”

“Yes.” Joseph asked, “I don’t know Master Wade, do you have the time recently?”

“If so, I hope you can come over in person, my current situation is really urgent...”

Charlie said, “Mr. Chen may not have told you that I am in the United States now.”

“Not in Aurous Hill, coming to Hong Kong may be a bit troublesome.”

Joseph on the other end of the phone hurriedly said,

“Master Wade, I hope you will take the time to come and help me adjust anyway,”

“Otherwise, I am afraid that my family will be in much trouble.”

Claire could vaguely hear Joseph’s voice in the telephone receiver,

And when she learned that someone from Hong Kong wanted to invite her husband to see Feng Shui,

She looked at Charlie nervously, not knowing what he would do next Will he agree.

Charlie was also embarrassed at this time, and said,

“I recently have come to the United States with my wife for her studies,”

“And it may not be convenient to come to Hong Kong...”

The other party immediately said: “Master Wade, President Chen has been telling me,”

“Saying Not only are you highly accomplished in Feng Shui,”

“But you are also very warm-hearted. I am really in an urgency right now, you can’t help me...”

Charlie hesitated for a moment, then said, “Well, I’ll discuss it with my wife first. I’ll answer you later.”

Joseph hurriedly said: “Master Wade, please make sure to make it clear to Mrs. Wade that this matter is about human life,”

“But you must agree! As for the remuneration, don’t worry, I will double it for you!”

Charlie said: “Okay... I’ll pass it on to her.”

After that, he hung up the phone and said to Claire,

“Wife, President Issac Chen from Aurous Hill, he introduced a client who is from Hong Kong.”

“There is some problem with Feng Shui at home. It is said that it is quite serious,”

“I’ve heard it all... Since it’s all about human life, how can I stop you from going...”

Charlie understood and said quickly, “Wife, you are so kind!”

“Since that’s the case, then I’ll tell him! I have a flight ticket to Hong Kong tomorrow morning!”

Claire nodded and said helplessly: “Since the situation is very urgent,”

“Then you should go earlier, just as mom is here, she can accompany me, You don’t have to worry about us here.”

Elaine said without hesitation: “Yes, good son-in-law, career is the most important thing,”

“If you have something to do, just go to work, Claire has me to accompany her, don’t worry!”

Charlie said: “Then Thank you for your hard work, Mom.”

Elaine hurriedly said: “You have to be so polite to mom! Really!”

After speaking, she did not forget to remind Charlie:

“Good son-in-law, what specialties are there in Hong Kong, remember to bring some for Mom!”

## **Chapter 4579**

After agreeing with Claire to go to Hong Kong, Charlie called Joseph.

As soon as the call was made, Joseph asked on the other end of the phone,

“Master Wade, have you discussed this with your wife? I wonder if you can come over to help?”

Charlie said, “I have already discussed it with my wife. You are lucky,”

“It just so happens that my mother-in-law has just arrived in the United States,”

“She can now help me take care of my wife, otherwise I really couldn’t come there to help you.”

Joseph hurriedly said: “That’s great! Mr. Wade, what time is right for you,”

“I will arrange a business jet from the United States to bring you over!”

Charlie shied away: “There is no need for a business jet, I can just buy a ticket.”

Joseph said, “If you come here on a connecting flight,”

“It will take at least 20 hours or even longer,”

“And it may not be possible to buy the earliest air ticket, business jet is faster!”

Charlie murmured: “That’s right, it’s urgent now, the sooner the better.”

“That’s alright, then you have to work hard to arrange the plane, and I can leave early tomorrow.”

“Okay!” Joseph said without hesitation, “Then I’ll arrange it,”

“You can take off at eight o’clock in the morning local time, right?”

“No Question!”

Joseph said excitedly: “That’s great, Master Wade! I’ll pick you up at the airport!”

Charlie said, “Then let’s meet in Hong Kong!”

After that, he and Joseph said goodbye, then hanging up the phone, he said to Claire:

“Wife, the situation of this client’s house is more urgent, and I may be leaving early tomorrow.”

Claire said with a reluctant expression and a little distressed:

“Early in the morning. It’s too hard to catch a plane...”

Charlie smiled and said, “It’s nothing more than getting up early, no hard work,”

“This client seems to be very powerful, he said that he would arrange a business jet for me,”

“Tomorrow morning, I will fly directly from here to Hong Kong and sleep all the way there.”

Elaine on the side heard Charlie talking about the business jet, and quickly said:

“Yes, yes! The business jet is very comfortable! That single sofa in front, it can massage, heat, and ventilate.”

“Even you can go to the back bedroom to sleep when you are tired,”

“The big bed is more comfortable than the bed at home!”

“Besides, the flight attendant in there are good ones!”

Claire couldn’t help but said: “Mom, have you been on a business jet,”

“You say it as if you have been on a plane like that...”

Elaine knew that she had said something wrong, and quickly changed her tune:

“Look at what I said, Mom has never eaten pork and has never seen a pig run?”

“You can always see pictures of people taking private planes on TV,”

“And it’s like a luxury hotel room, as comfortable as one can imagine.”

Claire shook her head helplessly, and turned to Charlie,

“Husband, then I’ll take you to the airport tomorrow morning.”

Charlie didn’t refuse, nodded, and said,

“Okay, then the hard-working wife will take me there.”

The next day.

Claire’s alarm clock rang at six o’clock.

She and Charlie got up, had a simple breakfast, and drove to the airport.

After Charlie drove the car to the airport and parked it at the entrance of the airport,

He said to Claire: “Wife, don’t take me in, just drive back.”

Claire said reluctantly: “I still want to send you in.”

## **Chapter 4580**

Charlie smiled and said: “You can only send me to the security check.”

“Besides, they arranged a business jet for me, I will directly go to the VIP channel,”

“And I don’t even have to queue, so you taking me in,”

“It’s just a few steps before I get in, so don’t bother.”

Seeing Charlie insisting, Claire nodded: “Well then, husband, please pay attention to safety,”

“Take care of diet and daily life, eat on time, do you understand?”

Charlie said with a smile: “Okay, I understand, don’t worry! When I finish things,”

“I will come back to accompany you as soon as possible!”

“Okay!” Claire nodded heavily, and then said, “You hurry in,”

“Aren’t you taking off at eight o’clock? It’s only half an hour now.”

“Okay.” Charlie got out of the car and waited for her to sit in the car, he waved to her and said,

“Wife, I’ll go first, you drive carefully on the way back.”

Claire nodded obediently, and said softly, “Tell me in advance when you’re done.”

“I’ll pick you up at the airport when you come back.”

“Okay!”

Charlie watched Claire drive away, then turned around and walked into the airport.

After a simple security check, he boarded the business jet arranged by Joseph.

At 8:00 sharp, the plane took off on time and flew toward Hong Kong at high speed.

Fourteen hours later, it is already ten o'clock in the morning in Hong Kong.

Charlie's business jet was more than an hour away from Hong Kong.

So, he called Melba and told her that he was going to Hong Kong soon,

And asked her to notify Gerard to meet him at the airport.

Gerard was still sleeping soundly at home.

Ever since he asked the USCIS to start the deportation process for Hogan,

He has been a little overexcited. It is hard to fall asleep in bed every night. The shame he suffered.

If it wasn't for the fact that the whole of Hong Kong knew of his hatred of Hogan,

He would have liked to execute that ba5tard himself.

After all, only in that way could he completely relieve his hatred.

At this time, he was in a strange dream. In the dream, Hogan was finally deported back to Hong Kong.

In order to witness Hogan's tragic death, he deliberately came to the airport to wait.

When Hogan walked out of the airport, passers-by all pulled out their guns and aimed them at Hogan.

Gerard was naturally excited. He couldn't wait to see Hogan being shot to death,

But at this moment, everyone's guns suddenly turned around and aimed at him.

Just when he was stunned, Hogan suddenly sneered at him and then waved his hand slightly.

Immediately afterward, the gun-wielding killers pulled the triggers,

And the bullets hit him frantically, causing him to scream and sit up straight.

Bella was doing her makeup in the bathroom at the moment, when she heard the movement,

She hurried over and asked nervously, "What's wrong with you, Gerard? Are you having a nightmare?"

"It's okay...Dream and reality are reversed..."

Just as he was talking, his phone suddenly rang.

He grabbed it and found that it was Melba who was calling,

So he immediately pressed the answer button and said,

"Hello, Mr. Watt! You called so early, what are your orders?"

Melba said on the other end of the phone,

"Mr. Liu, my assistant will arrive in Hong Kong in an hour,"

“If it’s convenient for you, you’d better pick him up at the airport.”

Gerard was naturally very upset when Melba asked him to pick up her assistant.

In his opinion, when Melba’s assistant arrives, it’s almost enough to find a hotel to entertain this guy,

But she wants him to go to the airport to pick him up. Isn’t this a bit too much?

At this moment, Melba said again: “By the way, Mr. Liu, I forgot to tell you before that this assistant of mine is appointed by the two major shareholders of ISU Shipping,”

“Miss Ito and Miss Su, and he is better than me in many matters.”

“He has more right to speak. If President Liu wants to promote the cooperation between us,”

“Please be sure to do a good job of reception.”

## **Chapter 4581**

When Gerard heard this,

His mentality immediately changed 180 degrees, and he blurted out:

“Don’t worry, President Watt, I will definitely go to the airport to meet him in person,”

“And clean up the dust for your assistant.”

“He is new here and must not be familiar with Hong Kong,”

“So let him live in my house, there are so many rooms in my house!”

Melba did not expect that Gerard would let Charlie live in his house.

However, she didn't know why Charlie went to see this Gerard,

So she didn't dare to agree for Charlie without authorization, so she said:

"This President Liu should tell him in person after the meeting, Let 's see what he says."

"Okay!" Gerard said with a smile: "Please rest assured,"

"Ms. Watt, I must let him feel the enthusiasm of Hong Kong!"

Melba said: "Okay, my assistant is named Charlie Wade. When he arrives at the airport,"

"Hold a sign and write his name on the sign, and he will find you when he sees it."

"No problem!" Gerard said without thinking a word. : "Then I'm ready to go now!"

After that, he hung up the phone and Bella said,

"Let the servant take the time to tidy up the largest guest room on the second floor,"

"We have to entertain a distinguished guest!"

Bella was a little surprised and asked him: "What kind of distinguished guest is so important,"

"Not only do you need to pick him up in person, but also arrange for him to stay at home?"

Gerard said, "It's from ISU Shipping, and it is one of the two major companies of Shipping."

"He is appointed by the shareholders, the Ito family of Japan, and the Eastcliff's Su family behind ISU Shipping,"

"They are very powerful superfamilies in East Asia, whether they can cooperate with us depends on him!"

Bella looked puzzled: "Isn't our own business also doing well?"

"Should we be in such a hurry to cooperate with others?"

Gerard waved his hand: "You know the bird, since the establishment of ISU Shipping,"

"The entire Asian shipping market has seen a big change."

"ISU Shipping not only integrates all the resources of the Ito family and the Eastcliff Su family in shipping,"

"But also cooperates closely with the famous Cataclysmic Front."

"Now most of the global armed escort business is controlled by Cataclysmic Front."

"The escort resources of Cataclysmic Front are also given priority to ISU Shipping,"

"If we can cooperate with ISU, we can have sufficient guarantees in terms of transportation capacity and safety."

After speaking, he said again: "The Ito family is the number one family in Japan,"

“And the Su family is also the number one family in China, and since the Wade family was taken away by the Cataclysmic Front,”

“The Su family is even more outstanding in China. No matter which of these two big families join,”

“They can go to the next level, not to mention that they have the relationship with the Cataclysmic Front.”

“If they can be maintained well, I will not only make more money in the future,”

“Than I did before. With the money I get, I can do more things that couldn’t be done before!”

Bella asked inexplicably, “Isn’t that Cataclysmic Front a mercenary?”

“Aren’t mercenaries the ones who take money to work for people?”

“He should be the one who comes to please us, why would we need us to please them?”

Gerard said contemptuously, “Those who don’t know are fearless!”

“The Cataclysmic Front is not an ordinary mercenary organization,”

“It is one of the most powerful mercenaries in the world.”

“They basically disdain to cooperate with individuals, they all cooperate with some countries and the warlords of these countries,”

“The reason why ISU Shipping was able to take the Cataclysmic Front this time,”

“It is because the Su family has some connections with the Cataclysmic Front!”

Saying that he said proudly: “I have already investigated ISU Shipping,”

“The father of Joseph Wan, the master of the Cataclysmic Front,”

“Was the younger brother of Zynn Su of the Su family in Eastcliff, and was promoted by Zynn.”

## **Chapter 4582**

So Gerard concluded, “It means that the Su family was kind to the Wan family,”

“So Joseph Wan will only cooperate with the Su family after the Eastcliff Wade family is settled.”

“Otherwise, even if the Su family is rich, it may not be able to use Joseph!”

Speaking of which, Gerard saw that Bella was at a loss, and hurriedly urged:

“Okay, you go to order the servant to clean up the guest room,”

“And then order the housekeeper to prepare the banquet,”

“And then take the time to change into clothes and come to the airport with me.”

“We have to pick him up! By the way, call Jemima and say that I have something important to do with her!”

Bella said with an ugly expression: “Calling Jemima at this time, aren’t you uncomfortable?”

“If I fight with you again and neglect the distinguished guests, won’t I miss the important event then?”

Gerard laughed and said: "It's because of Jemima's character that I want to let her come back to accompany!"

"She is beautiful, and when a man sees her, he loses at least half of his soul and wit."

"If she is there, maybe the surname Wade. The kid would be going to turn around to please me!"

"And she is usually over-the-top, eccentric, rebellious, and dismissive of any man,"

"So naturally she can't suffer a loss. She is the carrot hanging in front of the donkey."

"Let the donkey see, and run to eat, and run harder!"

"So, as long as she is there, even if she throws a stinky face,"

"It can save me twice the result with half the effort!"

Bella muttered: "Your daughter doesn't even know what you are saying."

"If she doesn't listen to you, why would she listen to her stepmother?"

"If you want to call her, you'd better call yourself..."

Gerard was a little unhappy with Bella's attitude, but after hesitating for a moment,

He waved his hand and said helplessly: "Forget it, I'll tell her on the way! Go and arrange other things!"

"Okay!" Bella didn't dare to refuse and nodded quickly.

At the same time, Charlie received a call from Melba and learned that,

Gerard actually wanted to invite him to live at his house.

In addition to being surprised, he couldn't help but have a funny thought in his mind,

So he called Joseph. After the call, Charlie asked him: "Joseph, where are you now?"

Joseph respectfully said: "Going back to Mr. Wade, your subordinates are going to pick you up at the airport."

Charlie told him, "You don't have to go to the airport to meet me today,"

"I plan to stay at Gerard's house for a few days."

Joseph asked in surprise. Said: "Mr. Wade, do you want to live directly at Gerard's house?!"

"Yes." Charlie said indifferently: "Since he wants to lead the wolf into the house,

Then I will borrow the donkey and go to his house to have a good chat with him."

Joseph couldn't help laughing:

"Maybe this will be the most regretful decision Gerard has ever made in his life."

Charlie smiled slightly and asked him, "How have you been in Hong Kong these two days?"

Joseph hurriedly said: "Your subordinate is about to report this matter to you,"

“I have sorted out all the information about Gerard, and the situation of several major forces in Hong Kong.”

“The major forces on the island are all gearing up to attack Hogan,”

“So as to win the 30 million of Gerard’s bounty, but the Hong Kong Police also has received the news,”

“They and the customs have been waiting for the past two days,”

“And they must ensure that Hogan arrives in Hong Kong,

“After handing him over to them, nothing can happen, so these killers who want to take the bounty,”

“Want to wait for Hogan to be released as soon as possible.”

Charlie asked curiously: “What is the process after Uncle Chen is sent back? Do you understand clearly?”

“I understand.” Joseph said: “Because the process when he left the country was reasonable and legal,”

“But he stayed in the United States illegally because his visa expired and violated the laws of the United States,”

“So after returning, he will not be convicted. The police and customs here will give him a normal immigration process.”

“In addition, if he has left Hong Kong for too long, they may apply for a new document for him,”

“And then they will notify his family to meet him and take him home,”

“And it is estimated that the whole process will not take more than 48 hours.”

“Okay.” Charlie said lightly: “In this case, the time is not urgent, I can play slowly with the surnamed Liu. “

Joseph said: “Okay, Mr. Wade, the subordinates will be on standby at any time, waiting for your orders.”
