

Chapter 4545

Originally, Charlie was planning to let Hogan continue to live peacefully in Chinatown first,

And then he would take the time to go to Hong Kong in the future to settle his affairs.

However, since that Gerard was so restless and took the initiative to make something happen,

He had to go to Hong Kong to meet him first.

Hong Kong and the United States are very far away, the ordinary plane at least takes ten hours each way,

Plus the processing of things also needs time, so Charlie estimated that,

At least he would have to stay three to five days or more away from the United States.

And he is most concerned about Claire.

Although he has long arranged the female soldiers of the Front to secretly protect her,

But let her stay in the United States alone to study and live, his heart is still inevitably worried.

And right now, Jacob is still in Korea engaged in cultural exchange activities,

The only one who can really come to the United States to accompany his wife for a few days is mother-in-law Elaine.

However, if he tells Claire directly that he is going to Hong Kong,

And then he needs to invite his mother-in-law over to accompany her, Charlie feels more or less rigid.

But if he goes to discuss with Claire, then she may not like to toss his mother-in-law over,

Then there are only two options, one is to persuade himself not to go to Hong Kong;

The other is to reassure himself, go to Hong Kong, and think she has no problem alone.

Moreover, he estimates that Elaine now also does not want to come to the United States.

She is alone in Aurous Hill, with luxury cars and mansions,

And hundreds of thousands of pocket money, life must be very good,

If he asks her to come to the United States, he is afraid that she will not be happy.

So, he began to calculate in his heart, can first find a reason to get his mother-in-law to come over,

And then take the opportunity to tell Claire that he has a client in Hong Kong,

Just Elaine is here came, he can go to Hong Kong for a few days, let the two stay here for a while.

As for how to get Elaine over from China, Charlie was not worried at all,

He knew her too well, he only needed to make a slight game, and he could trap her in.

So, he immediately called Warnia and said, “Warnia, I need your help on something.”

Warnia said without thinking, “Master Wade, whatever you want, just give me an order.”

Charlie was not polite, so he told her about his plan.

After listening to it, Warnia immediately said, “Master Wade don’t worry, I will definitely complete the task.”

.....

Meanwhile.

On the other side of the world, in China, it was morning.

Elaine was lying on the luxurious king-size bed in the villa and slept until after ten o’clock.

Ever since Charlie and Claire went to the United States and Jacob went to Korea, she had just let herself go.

She lived in a big mansion, drove a Rolls Royce Cullinan,

And had 500,000 pocket money from Charlie on her bank card, so her day was simply too good.

At this time, she had not yet woken up, the phone was buzzing non-stop.

She sleepily picked up the phone, picked it up to her mouth, and asked:

“Who is it, what is it? Why are you calling early in the morning?”

On the other end of the phone, Horiyan’s flattering voice came over:

“Sister, it’s me, Horiyan! It’s already this time, you’re still not up?”

Since Horiyan came back, she has been treating Elaine as a family,

And recently she has been looking for her every day, not only kissing Elaine’s ass,

But also following her around like a little kitten, carrying her bag when she goes out,

Opening the door when she gets into the car, even when Elaine goes to the toilet,

She takes an extra copy of toilet paper and guards at the door,

Afraid that there is not enough paper for Elaine inside.

In the past, when she was in the Willson family, she was always bullied by Horiyan,

And she had a lot of grudges against her, but now Horiyan came over to her like a dog,

Which instantly magnified her vanity, and gave her a feeling of pleasure to turn over a new leaf,

Chapter 4546

So she was happy to spend time with her every day.

For Elaine, only when Horiyan is fawning over her,

She can really feel that she, Elaine, is really different from the past.

So, when she heard Horiyan’s voice on the other end of the phone, she grunted and said,

“I haven’t slept well yet, what time is it?”

Horiyan said: “It’s almost eleven o’clock! You said yesterday that you want to go shopping in the mall today, right?”

“I’m all set here, right in front of your house! Are we still going today?”

Only then did Elaine come back to her senses and blurted out,\

“Oh, no! I forgot about that! I was going to buy a necklace at the harbor city,”

“Recently, I always feel like there is something missing on my neck!”

Horiyan said with a smile: “You are always driving Cullinan and carrying Hermes,”

“But you only need a more elegant necklace! What brand do you want to see?”

Elaine said casually: “What! Bulgari, Tiffany, Cartier, any of it,”

“I am not picky, as long as it is a first-line brand.”

Horiyan immediately praised: “Oh Sister you have an eye, with your temperament,”

“It is necessary to match the first-line brands, a mundane like me can not compare with you sister,”

“A few thousand worth of chain for people like me is more than enough.”

Speaking of this, she sighed and said, “I’d say you’re lucky to live in a mansion,”

“Drive a luxury car, wear top luxury goods, a proper winner in life, unlike me,”

“After I fell on hard times, jewelry and bags are all gone, now I can’t afford to buy a first-line brand,”

“Even a chain I’ll ask my daughter for some money later, to buy a silver chain at the stall”

Elaine thought: “This Horiyan really has the self-awareness to know that she is only worthy of a local brand,”

“While I can afford Bulgari tsk, this level how can we two be compared.”

So she said, “We’ll go to Seaport City later, and after I pick out a necklace,”

“We’ll go to the market, and I’ll give you a necklace!”

“Huh!” Horiyan asked excitedly, “Sister, you’re not deliberately making fun of me, right?”

“Are you really going to give me a necklace?”

Elaine said seriously: “I never brag about what I said, I’ll spend for you 10,000 yuan, take your pick!”

Horiyan said happily, “Yes! Sister is more open-minded than me!”

“When are you going to get up? I’ll walk you around the City!”

Elaine rolled out of bed and said, “Wait for me, I’ll go wash up and clean up!”

Half an hour later, the electric gate of the villa slowly opened and Elaine drove the Rolls Royce Cullinan out from inside.

Horiyan looked at the Rolls-Royce's imposing front and the way Elaine drove in the car,

Her heart was sour and angry, and she couldn't help but mutter:

"Elaine's little frustration, still have the nerve to drive the Cullinan,"

"She sat inside and drove, people from the outside can only see her skyline..."

At this time, Elaine parked the car in front of her, peeked out, and greeted her, "Hey, hurry up and get in."

"Yes!" Horiyan immediately put the sour taste in her heart to the back of her mind,

Got into the car, smiled with a flattering face, and said,

"Sister, this car really matches your temperament, it's so dominant!"

"Once you sit in it, good lord, it's a perfect match!"

Elaine raised an eyebrow and smiled, said proudly:

"That's right! When Jacob comes back I will tell him that this car will be for me to drive from now on,"

"So he can buy another one for himself!"

After saying that, she drove the car and made it out of the Tomson One.

When Elaine drove out, a man in a black SUV at the entrance of Tomson One,

Picked up his cell phone and made a phone call.

Once the call came through, he said respectfully, “Madam, the target drove out.”

Chapter 4547

On the other end of the phone, Warnia’s voice came out, “Keep an eye on her!”

Elaine drove the overbearing Rolls-Royce Cullinan all the way to Aurous Hill Harbour City.

After carefully backing up the car a dozen times in the underground garage before finally parking it,

She went to the first floor with Horiyan.

The first floor of Harbour City is almost all first-line luxury brands.

Among them, half of them are clothing and luggage brands,

Such as LV, Gucci, and the other half is jewelry, such as Bulgari, and Cartier.

Once they arrived, first dragged Horiyan to Bulgari’s store.

Not knows how much better Bulgari is than other brands,

Mainly because Elaine like the name Bulgari, and thinks the name shows festive.

Once the two people got into Bulgari, Elaine went straight to the middle counter,

Then reaching the counter in front of a high stool seat,

Her right hand first came up and slapped the Rolls-Royce car keys on the counter,

The left hand moved and placed the Hermes handbag on the counter above, the one gifted by Charlie.

When the sales lady saw this, she thought she was a big customer,

So she hurried over and said very respectfully, "Hello lady, welcome to Bulgari, I don't know what you want to see?"

Elaine cleared her throat and said with an arrogant face,

"Ahem, what nice necklaces do you have in store, bring them out and give me a pick."

The sales nodded her head, then turned to the male sales and said,

"Jack, prepare two bottles of sparkling water imported from Spain for the customers,"

"And bring the latest perfume samples for the two of them to try."

The male sales immediately obeyed and did as he was told, and Elaine sighed in her heart:

"In the end, it's a big brand! This service is really not one!"

Horiyan stood behind Elaine, heart filled with strong emotion:

"Thinking back when the Willson family still had money, at shops I got this kind of treatment,"

"But now I enter a store, feel nervous, really a fallen phoenix is worse than chicken."

The female sales took out a tray full of necklaces at this time and placed it in front of Elaine,

Saying respectfully, “Madam here are all our latest necklaces,”

“There are many newest models of the classic series, you can take a look.”

Elaine nodded and pointed to one of the diamond pendants and said,

“I think this one is good, what is the price of this one?”

The female sales took a look at the price tag and said,

“The necklace you’re looking at is priced at 118,800,”

“It’s made of 18K gold necklace with a South African diamond pendant,”

“The diamonds are all broken diamonds, but the cut is perfect, so the luster is very good, and it’s very shiny when you wear it. “

The price of more than 110,000 is just the ideal price for Elaine in her mind.

After all, when Charlie and Claire first left her 500,000 pocket money,

If she bought a necklace that was too expensive, the budget accounted for too much,

Which would have an impact on her later life consumption.

The price range of a little more than 100,000 is very friendly,

With her current financial resources, more than 100,000 to buy a necklace,

The rest of the money is enough for her to spend in style until Charlie is back.

So, she said to the sales, “Come, you help me wear it I want to see the effect.”

The shop assistant was about to help Elaine wear the necklace,

When her desktop phone suddenly vibrated,

And the person who called was the manager of the store, who was also her top boss.

So she apologized and said to Elaine, “Wait a minute, I’ll take a call from our boss, sorry.”

Elaine has been visiting stores like this so she said without any emotion:

“Not a big deal, you first answer the call.”

The female sales picked up the phone and walked to the side, the boss on the phone instructed:

“You must make that woman spend as much money as possible later,”

“If you can make her spend 300,000 in our store, I will reward you 50,000,”

“If you can make her spend 500,000 in our store, I will reward you 100,000!”

Chapter 4548

Once the female sales heard this, she couldn’t help but sneak a glance at Elaine over there.

Although she didn’t know why the store manager was concerned about this woman,

She realized in her heart that this was a good opportunity to make money, so she whispered, "Don't worry boss."

After saying that, she hung up the phone, stepped in front of Elaine,

And said with a smile, "Madam, come, let me try it on for you."

Elaine nodded, put the necklace on with the help of the guide, and looked at the mirror endlessly.

A gold chain itself is not worth a few dollars,

And the pendant full of broken diamonds also does not cost much,

And these two together are estimated to be a fraction of the selling price.

However, what Elaine values is not the price/performance ratio, but the face-to-price ratio.

The so-called value for money is the ratio between the performance of goods and the price,

The same price, the better the performance is naturally better.

As for the face-to-price ratio, it is the ratio between the face of the goods and the price,

The same price, the higher the face is more important, even if a cotton T-shirt,

Costing no more than a hundred dollars is sold for eight thousand,

As long as the brand logo on the chest is enough to have a face,

Then in her eyes, it is also worth it.

Elaine examined it for a while and found that the necklace was indeed sparkling,

And under the light of the jewelry store, almost every prong burst with dazzling splendor.

She said almost immediately, "I'll take this one, wrap it up for me!"

The female sales couldn't help but say, "Madam, to speak from the bottom of my heart,"

"I feel that this necklace doesn't seem to match your temperament."

"What do you mean?" Elaine frowned and asked,

"Are you saying that I don't deserve such an expensive necklace?"

The saleswoman hurriedly waved her hands and said, "No, no! That's not what I meant!"

"From the moment you walked in the door, I could see that you had a noble aura."

"To be honest, in all the years I've worked at Bulgari, I've never seen such a classy customer like you."

The other party's sudden a55-k!ssing immediately slapped Elaine into the sky.

She smiled from ear to ear and said, "Aigoo, you are really good at talking,"

"Although I am really good-tempered, but after all, the older, and those younger still can not be compared"

The female sales was busy saying, "You are really modest,"

“You are much more temperamental than those 20-something female celebrities I have seen.”

“Really?” Elaine was surprised looking at herself in the mirror,

Trying to see and feel her own temperament is indeed very good, she smilingly said:

“Aiya, to say temperament and these things, really not young on the line, young people will only dress but with no charm!”

Horiyan on the other side heard straight dry heaves.

In her heart, Elaine that bit of temperament, on the weighing of the youngest, is not more than three or five,

Of course, if we are talking about the temperament of the shrew, that is really the force of the mountain and the gas.

At this time, the female sales said with a serious face:

“Lady, to be honest, you have such a good temperament, and drive a Rolls-Royce’s top car,”

“Even the bag is also Hermes, almost already the top of the top,”

“The necklace you wear is worth a hundred thousand or so,”

“It simply does not complement your temperament,”

Elaine heard these words, and subconsciously asked: “Really? This is worth more than 100,000

Female sales: “To be honest with you, I worked here for a long time, and have seen more,”

“Many spend more than 100,000 to buy the necklace for the guests,”

“In fact, most of the well-off families, buy more than 100,000 necklaces are hard on,”

“Most people drive cars worth not more than 500,000, to put it bluntly,”

“It is all the main swollen face to fill the fat... ..”

After saying that, she said with a compliment: “But you are different!”

“You drive a Rolls-Royce, carry Hermes, this is the ceiling level,”

“Than that kind of swollen face fat guests from whom you are 1000 times better, the absolute noblewoman!”

“Oh no, it is the best of the noblewomen, the ceiling of noblewomen!”

“So, how can you wear the same necklace as those people who swell their faces and pretend to be fat?”
