

Chapter 4557

About going to the United States. Although Elaine had already made up her mind,

She didn't know how to speak to Charlie and Claire for a while.

Of course, she didn't dare to directly say that she had spent all her money,

And now she has no money to live, and she just happened to win a prize to fly to the United States for free,

So she flew over to join her daughter and son-in-law.

Therefore, she made up her mind to find her daughter Claire first to sell the plan.

However, it was already two o'clock in the morning in the United States at this time,

Elaine hesitated for a moment, and decided to wait until the evening on her side,

And the morning on the American side to make a video call with Claire.

At the same time, Charlie, who was in the United States, after confirming that Claire was asleep,

Put a little spiritual energy into her mind to ensure that she could sleep more steadily,

Then got up and dressed and left the Hotel.

He was going to see the man whose limbs were cut off by him.

Find out who the other party is.

At the door of the hotel late at night, a low-key black Cadillac has been waiting here for a long time.

Joseph sat in the driver's seat alone, and when Charlie came out,

He was about to push the door and get out of the car to open the door for Charlie.

Charlie waved his hand at him, quickened two steps, opened the co-pilot's door, and sat in directly.

As soon as he got in the car, he asked, "How's the situation with that guy?"

Joseph replied respectfully, "Mr. Wade, that person has been safely controlled,"

"And there is a person watching him at all times, in order to ensure absolute safety,"

"I have all his teeth pulled out, he has no hands or feet, and it is impossible for him to commit suicide."

"Okay." Charlie nodded with satisfaction, and asked again,

"While dealing with the corpses of the attackers, did you find anything?"

"Yes." Joseph said, "We took a look around, and we have a few points to report to you."

Having said that, Joseph paused for a moment and continued:

"First of all, their weapons and equipment are very advanced."

"The cost of individual soldier equipment is several times more expensive than that of the individual soldier equipment of the US special forces,"

“And they use the bullets are all specially made dummy bullets.”

“When the bullet hits the human body, it will produce a powerful cavity effect.”

“Once a hole is hit, the key point is that it also especially increases the amount of gunpowder in the bullet,”

“Raising the power of the bullet to a new level.”

It’s amazing that an eight-star warrior can carry dozens of bullets with this kind of power.

Normal people, even those of the level of the boxing champions like Tyson and Dwayne Johnson,

They would definitely be killed by one shot.”

Speaking of which, Joseph continued: “Secondly, although these people were not martial arts people,”

“They seemed to have strengthened their bodies in some way.”

“Not to mention, their physical strength is very strong, and they are definitely very human!”

Charlie was curious. He asked, “How did you find out that their physical strength is very strong?”

“When I faced them, I didn’t find any cultivation base or anything special about them.”

Joseph said: “With Judging from the amount of gunpowder of their bullets,”

“The recoil of the gun would become very large when fired.”

“The recoil is comparable to that of a large-caliber sniper rifle.”

“In this case, even well-trained special forces must lie on the ground when firing.”

At least use shoulders to firmly press the butt of the gun to counter the recoil.”

“If you stand up and shoot with a gun, it is generally impossible to press the muzzle of the gun,”

“And your arms will be numb with one shot.”

“It’s even more impossible, and they can stand up and quickly light up the entire magazine,”

“Which proves that their physical strength was extraordinary.”

“And, my people reported that their flesh and bones are much stronger than ordinary people,”

Chapter 4558

Joseph continued: “Even the Martial arts masters are not too much to give up, because their meridians are not open,”

“So they rely on the strength of their flesh and bones to improve their combat effectiveness.”

After speaking, Joseph added: “I suspect that they should have other methods.”

“The quality has been greatly improved, after all, with this intensity of continuous shooting,”

“The three-star fighters are strong enough to be stable,”

“They can quickly play the entire clip without changing their face,”

“And their strength is at least above the four-star masters.”

Charlie couldn't help frowning, and said coldly: “These people are well-armed and well-trained,”

“And they were methodical and well-prepared for martial arts masters.”

“Even if they were not martial arts masters, they must have known martial arts masters very well,”

“And know martial arts masters. Where are the shortcomings, and then formulate targeted tactics.”

“Yes!” Joseph said seriously: “No matter what organization they are in,”

“Their method of greatly improving the physical fitness of ordinary people is really terrifying.”

“Although there are tens of thousands of mercenaries under us,”

“There are only a few hundred who can really practice martial arts.”

“The height of warriors, and these people can use unknown methods to raise ordinary people to this level,”

“If they could cover a large number of people, their strength must not be underestimated!”

Charlie subconsciously frowned, He opened his mouth and said,

“I've never heard of this kind of method for ordinary people...”

With that, he asked him, “Have you heard of it?”

“Mr. Wade, none of your subordinates has this”.

As he spoke Joseph continued: “I know that there are some Martial Arts people outside,”

“Who have joined some mercenary groups, but this is the first time I have encountered this.”

“There are no direct clues yet. They collected faces, fingerprints, and DNA,”

“And then they would find a way to compare them in databases around the world.”

“Start with the identities of these people.”

“As long as the identities of the members are confirmed, they can dig out more clues. “

Okay!” Charlie nodded and warned: “These people may be very dangerous,”

“And the real strength of the organization behind them may be above the Cataclysmic Front.”

“You must pay attention to the identities of these people when you investigate. It’s not the time to face the enemy.”

Joseph said solemnly, “Okay, Mr. Wade, your subordinates understand.”

Charlie nodded and said, “Go to Long Island, I want to see that guy.”

...

Twenty minutes later.

The black Cadillac drove into the manor on Long Island, New York.

When Charlie stepped into the basement, he saw the leader of today's group of attackers,

Who was being fixed on a chair at this time? He was extremely sluggish and was dying.

His amputated limbs were wrapped in bandages, and his mouth was full of blood.

Above the severed arm, someone had put an infusion needle on him,"

"And a packet of medicinal liquid was hanging above it,

Which was being continuously delivered to the body.

Joseph said to Charlie, "Mr. Wade, this guy has been resisting very strongly."

"I gave him a tranquilizer. Now he should have passed out."

Charlie nodded, stepped forward, and stretched out his hand. Tap lightly on the other person's head.

Immediately afterward, they saw the man's body trembling slightly, and then he slowly raised his head.

The man opened his eyes and saw Charlie in front of him with a panicked expression blurted out, "It's you..."

Charlie sneered: "What? Are you surprised to see me?"

The man thought with a single move, Charlie could cut off his legs and those of his more than 20 subordinates.

He blurted out in horror and asked, "You... Who are you!"

Chapter 4559

Charlie said indifferently: "It's not your turn to ask me questions now."

With that, he stared at him and said sternly, "Listen clearly to every word I'm about to say next,"

"My methods, I believe you have already learned them, so I have not much to say,"

"I will start asking questions from now on, you must know everything and say everything,"

"If you make me feel that you are fooling me, I will make your life worse than death,"

"And will not give you a second chance, you understand this?!"

Charlie's words made the man in front of him extremely frightened.

He couldn't help thinking of the bloodbath a few hours ago,

When Charlie turned him and his subordinates into cripples by himself.

He had never heard of this kind of terrifying strength.

What's even more terrifying is that he never saw Charlie make a move in the whole process!

Even Charlie had no physical contact with them at all.

This is the most disappointing point for him.

With his knowledge of martial arts masters, even a dark realm master...

Would not be able to achieve such a strange long-range strike!

The internal strength and infuriating qi of a martial arts master can only achieve the so-called bullying from the air at most,

And the distance is extremely limited, and the power will be greatly reduced.

Like Charlie, who can burst out such lethality without contact at all,

In his opinion, the strength may have reached a demigod!

And he still clearly remembered that when he crushed his dentures,

And the venom penetrated his whole body with his blood,

Charlie was able to use a mysterious force to withdraw all the toxins from his body.

Even now, he can clearly feel that the venom is still intact in his belly,

And that mysterious power tightly wraps all the venom, so that it is completely isolated from his body.

Therefore, at this time, Charlie, in his eyes, was like a god of death wielding a sickle.

Frightened, he blurted out and pleaded: "Sir, please give me a good time...kill me..."

"You want to have your say?" Charlie sneered and said lightly:

“To tell you the truth, today the people you wanted to kill are my grandfather and grandmother’s family,”

“Do you think I will give you pleasure? Since you want pleasure,”

“Then I will make you suffer, and it will last a lifetime.”

After that, Charlie stared at him and said coldly:

“I think you are only in your thirties. Although you have no limbs,”

“It should not be a problem to live for a few more decades.”

“It just so happens that I still have some elixir that can prolong life.”

“It should be easy for you to live another sixty or seventy years.”

“It just so happens that there are more high-tech now,”

“And there are some drugs that can make your nervous system amplify the pain hundreds of times.”

“The combination of the two will make sure, for the rest of your life, you will have a new experience every day!”

The man suddenly smiled, shook his head, and said,

“Impossible... Even if you don’t give me a good time, in a few days, I will definitely be dead...”

Charlie couldn’t help frowning, and asked coldly,

“What? Do you think you are still capable of committing suicide?”

The man shook his head and smiled bitterly:

“How can I still look like a ghost? The ability to commit suicide.”

After that, he smiled miserably: “For us people, we have only seven days to live after we come out,”

“And when the seven days are up if we can’t return,”

“Our skin and muscles will burst and we will die, and then I will be rotten here.”

“Don’t be too surprised when it becomes a pool of blood and flesh.”

“Seven days?” Charlie snorted disdainfully when he heard this,

Stepped forward and put his hand on the top of his head.

Immediately afterward, spiritual energy flowed into his body from the crown of the skull.

Chapter 4560

It was only at this time that Charlie discovered that...

This person’s physique was indeed different from ordinary people.

None of the eight extraordinary meridians are connected,

But the strength of the body is not inferior to that of the five-star warrior, just like steel and iron bones.

Moreover, even though his limbs have been chopped off, under the existing muscles,

The sense of strength is also very surging, the heartbeat is much stronger than ordinary people,

And every beat is like a high-pressure pump, pumping blood violently to the blood vessels throughout the body.

It's just that he is losing too much blood right now,

And although the heartbeat is strong, the blood vessels are a little shriveled.

In addition, what surprised Charlie, even more, was that this person looked like steel and iron,

But he was not really steel and iron, but completely relied on the surging power hidden under his flesh and blood.

This power seems to be only temporarily stored in his body to help him strengthen his body,

But it was not tamed by him but was forcibly bound in his body by some force.

Because Charlie found that this force has been trying to attack outwards.

With the continuous impact of this force, the force that binds it is also gradually weakening,

But each time it only weakens a little bit.

In this way, after a few days, this force will indeed break through this bondage,

And at that time, it is estimated that his body will likely be smashed to pieces by this force.

At this time, Charlie finally understood why,

After all, this person is begging him to give him a happy ending, he acted like he was accepting his fate.

It seems that even if he doesn't give him a good time, he will surely die in a few days.

Charlie smiled slightly at this time, and said, "Don't worry, you can't die with me here."

After that, he used his spiritual energy to directly seal the force that had been pounding outwards in his body.

In terms of the strength of that power, after Charlie's aura sealed it,

Even if it could keep hitting without any attenuation,

It would not be able to rush out for 10,000 years.

The man's expression was still very slumped even more than before, but he immediately looked at Charlie in horror,

And blurted out and asked, "You... what have you done to me?"

Charlie sneered, "That kind of power in your body that you can't suppress,"

"It has now been completely sealed by me. In this way, you can live a hundred years!"

"If you don't explain it honestly, you may live in hell for decades to come."

"After speaking, he turned his head to look at Joseph, and said sternly,

"Joseph, if he doesn't explain honestly, use all the means you can think of."

"If he doesn't explain honestly these days, take him to Syria,"

“Build a special cellar to keep him in it, strip him naked, and throw him in an iron cage,”

“Then power up the iron cage, and inject him with enough drugs to make him feel 24/7,”

“What is it like to have an electric shock magnified a hundred times!”

When the man heard Charlie’s words, he suddenly trembled violently in horror.

Seeing that Charlie’s expression was extremely cold,

He knew that what this man said just now had absolutely no moisture.

If he really refuses to cooperate, he is afraid that he will experience eighteen layers of hell-like pain for the rest of his life...

He is not afraid of death. Those brothers with him are not afraid of death.

He is also not afraid of torture.

After all, he has been severely trained for so many years,

And he has an extraordinary ability to endure all kinds of torture.

However, he was afraid of endless, unending torture.

Thinking of this, he said emotionally: “I speak! I’ll say everything!”

“As long as you promise to give me a happy ending after I finish speaking, I will definitely say everything!”

Charlie said coldly: “You can’t negotiate conditions with me.”

“If you want me to give you a good time, just answer my question!”

The man nodded terrified and said, “You ask, if I know, I will answer!”

Charlie asked coldly, “What are you guys? Organization?”

“Organization...” The man hesitated for a moment, then said,

“I don’t know what organization we are... I only know that people like us are called dead men in the organization.”

Charlie asked: “What is a dead man?!”

Hearing Charlie’s question, the man opened his eyes wide and shouted hoarsely like a conditioned reflex:

“Those who live for the sake of death, and are willing to die generously for the British Master at any time, we are the dead men!”
