

## Chapter 4565

For Charlie, spiritual energy is his biggest trump card at the moment.

This mysterious organization is indeed powerful, even too powerful.

However, the power they control these dead soldiers, or in other words,

The power they use to enhance the strength of these dead soldiers is still not an opponent in the face of his aura.

It is precisely because of this that he has the confidence,

To dig out this mysterious organization one day in the future.

Five Four Seven can also feel that Charlie's strength is far beyond his perception,

And the energy that even the 20th-generation dead can't fight can be sealed in front of Charlie effortlessly.

Charlie said that to make the organization completely perish, it is not just mere talking.

So, he thanked him and said, "If Mr. Wade can eradicate the organization,"

"I believe that these dead soldiers will be willing to serve you allegiance!"

Charlie waved his hand: "It's too early to say this now, wait for me on the day they are eradicated,"

"You will be returned to your freedom, and it will be up to you to decide where to go, whether to stay or not!"

Five Four Seven said gratefully: "Mr. Wade is merciful! The relatives and those who died in the past 200 years,"

“They all will thank you for your kindness and great virtue!”

Although Five Four Seven had just brought people to try to kill his grandfather and grandfather,

Charlie still felt that this person And the other dead men are too pitiful.

Twenty generations of people have been reared and served as slaves with no light for generations.

This fate is much more tragic than the black slaves who were trafficked to Europe and the United States.

If he can return the freedom of these dead soldiers, it can be regarded as a great work.

If these dead men are willing to serve him, that will be the icing on the cake.

Subsequently.

Charlie said to Joseph: “Joseph, deal with all the clues,”

“You will hurry up tonight to let people take Five Four Seven out of the United States.”

“We must be cautious and careful, and never leave any clues.”

Joseph said immediately. : “Okay, Mr. Wade, your subordinates will make arrangements immediately!”

Charlie nodded and said, “I am going to Hong Kong in two days.”

“You go to Hong Kong in advance to wait for me.”

“First, let me know the details of Gerard Liu in Hong Kong.”

“When the situation there is clear, and we will meet there when the time comes.”

Joseph didn't know why Charlie suddenly wants to go to Hong Kong,

But he still said without hesitation:

“After I send him away, I will leave for Hong Kong before dawn.”

Charlie nodded, looked at Five Four Seven again, and said,

“Five Four Seven, you dead warriors should have mastered a lot of specific tactics, right?”

“Otherwise, facing the eight-star warriors this time, you wouldn't be able to deal so easily.”

Five Four Seven hurriedly said: “Mr. Wade, we do have many different tactics in our daily training,”

“Usually special tactics and special equipment.”

“These are all formulated in the organization and taught to us by the instructors.”

Charlie After a sigh, said, “After you arrive in Syria,”

“Try your best to tell the people in Cataclysmic Front of the tactics of the dead soldiers,”

“And let the Front also train them to improve their overall strength!”

“Okay!” Five Four Seven without hesitation Said: “I will give all the tactics next time!”

“Okay.” Charlie took out two blood-scattering pills from his pocket, handed them to Joseph, and said,

“These two pills should be able to help you. Breaking through the bright realm is a great success,”

“You can take it immediately after you get on the plane,”

“I believe that when we meet again in Hong Kong, you will be a master of the dark realm.”

## **Chapter 4566**

Joseph was stunned and said with sincerity:

“Mr. Wade... ..You can spare your subordinate’s life and let your subordinate’s parents go to earth in peace.”

“Your subordinate is grateful, and you have helped your subordinate to reshape the meridian,”

“And make your subordinate jump to the Great Perfection of the Bright Realm.”

“These kindnesses, I haven’t had a chance to repay,”

“How can I accept your such precious medicinal pills again...”

Charlie said lightly: “Joseph, this kindness, you don’t have to mention it all the time.”

“You have seen what happened today. It is as strong as an eight-star warrior.”

“With the cooperation of the opponent’s specific tactics, easily slaughtered like a lamb,”

“So your top priority now is to quickly improve your strength,”

“Otherwise if you die someday, wouldn’t you have less chance to repay your kindness?”

After that, he handed the elixir to him and said, “Advanced Dark Realm, The road ahead is longer!”

When Joseph heard this, he immediately said with great gratitude and respect:

“Thank you, Mr. Wade! Your subordinates will definitely live up to their expectations!”

Charlie nodded: “I’ll go first, you’ll deal with it here.”

Joseph hurriedly said, “I’ll see you off my subordinates!”

Charlie looked at the time, it was only after three in the morning,”

“So he waved his hands and said, “No need, I’ll go by myself.”

Joseph said: “That subordinate will send you out!”

When Charlie walked out of the villa, the entire Long Island was silent.

After all, it is already past three o’clock in the morning,

And the rich people who live here generally end their nightlife and enter a dreamland full of money and desire.

Charlie was walking on the street alone, with mixed feelings in his heart.

He couldn't imagine how big this mysterious organization would be.

He tried Five Four Seven for more than an hour, and he didn't even know the name of this mysterious organization.

At this time, the voices and smiles of his parents when they were alive came to his mind.

The father and mother in his memory would never frown over something,

Even if the two went to Aurous Hill, and settled down in an old house,

The two always had smiles on their faces. They cleaned up the house and bought furniture together,

And they were always optimistic and looking forward to life.

Therefore, he couldn't help wondering if the death of his parents was caused by this mysterious organization.

If so, did the parents sense that the danger was approaching before the accident happened?

If so, did they have any specific knowledge of this mysterious organization?

After thinking for a long time, Charlie sighed and shook his head.

Thinking too much about unsolved problems will only make people more tired.

Therefore, he decided to put this matter aside for the time being,

And continue to dig deeper when there is a chance in the future.

And now, the most important problem to solve is Gerard Liu who wants Hogan's life.

If nothing else, Elaine will come tomorrow or the day after tomorrow.

If there is no accident, he will accompany his wife to watch the concert the night after tomorrow,

And then will leave for Hong Kong immediately.

Since he is going to meet Gerard for a while, he must give himself a suitable identity and opportunity.

Thinking of this, he immediately took out his mobile phone and called Doris.

Doris was handling official business in the office at this time.

For some reason, her mind was suddenly empty, and she subconsciously turned on a tablet computer on the desk.

After unlocking it, she found a photo from the tablet's photo album and looked at it in a daze.

The scene in the photo is her office.

The character in the photo was not herself, but Charlie sitting on the sofa.

This was taken by her quietly after he came to Emgrand Group last time.

He is a strange person. He hardly posts any Moments, and he never posts selfies,

So that it is difficult to keep a photo of him.

## **Chapter 4567**

Therefore, Doris secretly took a photo and hid it on her tablet computer.

Whenever she thought of him, she quietly found the photo and took a look.

Just when she was a little lost, the phone suddenly rang.

When she saw the words “Chairman” on her phone, she was as happy as a little girl.

She wanted to grab the phone immediately, but for some reason,

She hurriedly straightened her hair in front of the mirror reflected in the glass cabinet,

And then suppressed her excitement and pressed the answer button...

Doris’s voice was a little excited and energetic, but Charlie couldn’t understand it.

He went straight to the topic and asked,

“Doris, how much do you know about Gerard Liu in Hong Kong?”

“Gerard Liu?” How did you find out about him?”

Charlie said, “I have something to discuss with him,”

“But I don’t want to use my real identity,”

“So I want to ask you if there is a good opportunity for me to talk to him,”

“After I go to Hong Kong. I will meet him normally.”

Doris said: “Chairman, our Emgrand Group has no business dealings with him,”

“But I remember that a large section of his main business is ocean shipping,”

“You might as well call Melba and ask, if you use the name of ISU Shipping, there should be no problem.”

“Understood.” Charlie smiled and said, “Then I’ll call Melba, you get busy”

Doris didn’t expect Charlie to hang up so soon, and said subconsciously, “Chairman, wait a moment...”

Charlie asked her, “What’s the matter? Do you have anything to ask me?”

Doris hurriedly said: “Uh...that... it is that...you cured my father’s illness before,”

“My parents have always been very grateful to you, and have never found a good opportunity,”

“My mother told me a few days ago, that she wanted to invite you to dinner at home,”

“I told her that you were in the United States,”

“And she asked me when you will come back if it is convenient, come to eat dinner at home.”

Charlie knew that when Doris’s father was poisoned before and he saved him.

Her family has always been grateful for his act, but he smiled casually:

“Tell uncle and auntie that you don’t have to be so polite,”

“The previous matter was just a little effort.”

After speaking he said again: “But don’t worry, I will definitely make time to visit after I come back.”

Doris said happily: “Okay chairman, then I will tell my mother that,”

“When you come back, come to the house for a quick meal!” “OK.”

Charlie readily agreed and smiled: “Doris, then I’ll hang up first, and I’ll call Melba.”

“Okay, chairman!”

Charlie hung up the phone and called Melba, who is now in charge of ISU Shipping.

On the other end of the phone, Melba was as surprised as Doris, and blurted out,

“Mr. Wade...why are you calling me so late?!”

Charlie smiled and said, “It should be the afternoon on your side, right?”

“Yeah!” Melba hurriedly said: “Isn’t it late at night over there?”

“You are calling me so late, aren’t you afraid that Madam will get angry?”

Charlie said casually: “No, no, I’m outside to breathe.”

“Oh, that’s it. Ah...” Melba summoned her courage and deliberately teased:

“Mr. Wade misses me, called me, and wanted to chat with me, or do you have something to tell me?”

Charlie smiled: “I have something to do. I want to ask you for help.”

Melba was a little disappointed in her heart, but she said without hesitation:

“If you have something to do, just tell me.”

Charlie said, “Do you know Gerard Liu from Hong Kong?”

“Gerard Liu?” Melba asked curiously Said:

“That romantic rich man who is famous all over Hong Kong?”

“Yes.” Charlie smiled: “It’s him.”

## **Chapter 4568**

Melba hurriedly said: “I don’t know him, but he happened to have his assistant come to me some time ago.”

“He told me that he wanted to visit ISU Shipping in person and discuss the cooperation in the shipping business.”

“He also has a shipping company. However, due to the economic situation and the rapid rise of ISU Shipping recently.”

“His shipping company’s operating conditions are not very good, his ships are not enough,”

“But his ship has 30% of its capacity idle and cannot be cashed,”

“So he really wants to cooperate with us and subcontract some mainland,”

“And Japan-Korea links from us as well as the European and American route resources.”

Charlie asked her, “Then have you chatted with this man?”

“No.” Melba said, “To be honest, we cooperate with them, that is,”

“We will transfer the uneatable part to them for some intermediary fees.”

“It’s not very impressive for us. Besides, he is asking us now.”

“I want to hang him and stretch him first, which can also lower his psychological expectations. Fight for a bigger one.”

“Understood.” Charlie said with a smile: “If that’s the case, then you can contact him,”

“Say you can think about cooperation, and then tell him that you are going to send your assistant to Hong Kong.”

“Check it out and let him receive the reception at that time.”

The smart Melba immediately noticed the key, and hurriedly asked,

“Mr. Wade, are you going to pretend to be my assistant and go to Hong Kong for a private visit?!”

Charlie smiled as Melba said: “It’s not enough to make a private visit in a low tier position,”

“I just want to meet Gerard for a while.”

Melba hurriedly said: “You are my boss, how can you pretend to be my assistant... This... Isn’t this a bit inappropriate? “

There’s nothing inappropriate.” Charlie smiled:

“Just tell him my name, say I’m your assistant and ask him to send someone,”

“To pick me up at the airport within the specified time. “

Okay...” Melba knew that Charlie must have a deeper meaning in what he did, so she said,

“Are you still in the United States? When are you planning to go to Hong Kong?”

“I will communicate with him when the time comes.”

Charlie smiled and Said: “You can communicate with him now, just say I’ll be there in two days.”

“No problem!” Melba said, “Then I’ll call his assistant now.”

Charlie explained: “No, you call him directly, with a high-profile attitude,”

“And make him feel flattered.” Melba couldn’t help laughing:

“Okay, Mr. Wade, I understand! Then I’ll contact him now!”

At the same time. China Hong Kong.

In the central area where every inch of land is expensive, there are countless modern buildings.

This is the financial center of Hong Kong and almost every multinational group in the world,

Likes to set up their branches here.

In one of the skyscrapers, a fat man with a bloated body is smoking a cigar

And looked proudly over the Victoria Harbour outside the floor-to-ceiling windows.

There was a knock on the door, and he shouted loudly without turning his head, "Come in!"

His assistant pushed open the door, and seeing him grinning non-stop, he quickly said,

"Chairman, you are in such a good mood today. Ah!"

"Of course!" Gerard laughed, looked at the assistant, and asked,

"Do you remember Hogan Chen's pummeling!"

The assistant was stunned for a moment, and quickly said,

"Of course, I remember... Ah!" Hor... oh no... Hogan Chen's ungrateful pokemon has been missing for more than ten years..."

Gerard sneered: "I lost this fcuking filth after he started running for twenty years!"

"I couldn't find this punk, but Goodness, this punk will soon return to Hong Kong!"

The assistant asked in surprise: "He... how dare he comes back to Hong Kong... This is not to die. Is that right?"

Gerard snorted and said, "He has now been arrested by the US Immigration Service,"

"And he was staying illegally, and the US side will soon deport him back."

"This punk should have been hiding outside for so many years, and he is finally coming home! Ha! Haha!"

After speaking, he couldn't help humming: "Come back, come back, wandering around the world ~ Come back, come back, you are tired of wandering~"
