

Chapter 4573

On the other hand, Elaine shed tears at the camera,

While carefully throwing the eye drops into a blind spot that the video could not capture.

At the other end of the video, Claire saw her mother crying and thought because she was lonely,

And she felt distressed, and said subconsciously, “Mom, why don’t you go on a trip first?”

“Didn’t Charlie give you half a million? Go with a high-end tour group,”

“And have a good time for a while, and when you have had enough, you should come back.”

When Elaine heard this, she said in her heart, “The girl’s idea is very good,”

“The key point is how can I still have money to travel? “...”

Thinking of this, she wiped away her tears and choked up, and said,

“Claire...Mom doesn’t want to go out to enjoy now...Mom just misses you...”

Claire said helplessly: “Mom, there are still more than 20 days for the course,”

“And I won’t be able to come back for a while...”

Actually, Claire never thought about whether Elaine could come to the United States.

But she subconsciously felt that it would not be very convenient for her mother to come to the United States.

The first is to apply for a visa. The US visa is a little more troublesome.

You have to go to the embassy for an interview, and there is a certain risk of being rejected.

Besides, she also knew her mother's noisy character.

If she came to the United States, she and Charlie might not have a safe life.

Claire can say it herself, after all, Elaine is her mother,

Even if it is a little noisy and miscellaneous, she can accept it.

But she was afraid that Charlie would feel uncomfortable.

Therefore, she did not dare to ask her mother to come over without permission.

However, Charlie came over very readily at this time, smiled at the video, and said,

"Mom, if you feel too lonely at home, apply for a visa to come and enjoy in the United States."

Claire heard this, the words were incredible,

She really did not expect that Charlie could agree to let her mother come over without thinking.

Elaine didn't expect Charlie's words to be so straightforward,

And immediately exploded with excitement here, and exclaimed excitedly:

“Oh, good son-in-law! Is what you said true, good son-in-law?!”

“Of course.” Charlie laughed He said: “We have enough rooms here, and you will have a place to stay when you come.”

Elaine immediately blurted out: “That’s great!”

“I happen to have a friend who has channels in the embassy, they said soon I can get the visa!”

Claire asked in surprise: “Mom, do you know friends who have channels in the embassy?”

Elaine smiled unnaturally and said, “Hey, it’s me who used to play mahjong, with people.”

“One of them has a daughter working in the embassy,”

“And she said she can help me go through the back door!”

Claire did not doubt and said, “Mom, if you get the visa, let me know, and I will buy you a plane ticket.”

Elaine hurriedly said: “Hey nooo, no, my good son-in-law gave me so much pocket money,”

“How can I let you buy a plane ticket for your mother, then I will buy it myself,”

“You can just wait to pick me up at the airport!”

Charlie reminded: “Mom, If you are afraid of the trouble of connecting flights,”

“Fly directly to New York. We will pick you up in New York.”

“If you want to be faster, you can transfer to Providence.”

Elaine said, “I will definitely let the private jet land in Providence.”

“If I could fly to Providence, who would go to New York to toss around...”

However, she naturally couldn't say it clearly, so she quickly said:

“You two should wait for me in Providence, I will transfer and pass by then.”

“Save you the trouble of going all the way to New York to pick me up.”

“Okay!” Charlie said without hesitation, “Then we'll be waiting for you here!”

Chapter 4574

Claire was also very happy, and hurriedly said, “Mom, After your itinerary is set,”

“Remember to tell us, we will pick you up from the airport in advance!”

“Okay!” Elaine was very proud of his her, and said with a smile, “Mom will tell you when it's done!”

After hanging up, Claire hurriedly asked Charlie, “Husband, mom won't cause you any trouble,”

“When she comes to the United States? She has a different nature, and I'm afraid your mood will be affected.”

“No.” Charlie said with a smile: “It's good for Mom to come to America,”

“And she can accompany you by the way. You’ve been away from home for so long, so you must miss her very much.”

Claire nodded lightly and said, “I’ve grown up so much,”

“And I haven’t been so far away from home for so long. She must be worried about it.”

Charlie smiled and said, “Our hotel room here is so big for two people.”

“It’s really empty to live in, and it’ll be a little more lively when Mom comes.”

Seeing that Charlie really didn’t mind,

Claire breathed a sigh of relief and said softly, “Husband, thank you!”

...

The next morning.

Elaine has already obtained a visa to the United States.

The person from the jewelry company confirmed to her that the departure time of the plane was this afternoon,

So Elaine changed into her most beautiful clothes at noon,

Carried the Hermes bought by Charlie and took the commercial car provided by the jewelry company to Aurous Hill Airport.

At the airport, Elaine experienced the high-end courtesy of VIP building boarding for the first time.

The luxury business car took her to the apron alone.

Two beautiful ground staff helped her carry her luggage and escorted her to board the private jet ready for the United States.

This Gulfstream G650 is a business jet owned by the Song Group.

This time, Warnia specially transferred this plane to Elaine to fly alone.

The interior of the plane is naturally extremely luxurious,

Making Elaine feel as if she has entered a palace in the sky as soon as she set her foot in.

The huge and luxurious cabin, with only her as a passenger,

Made her feel that her vanity was infinitely enlarged.

Just as she sat down on the extremely soft oversized reclining chair,

Three beautiful female flight attendants stepped forward.

The three of them bowed deeply to Elaine first, and then,

Under the leadership of the female flight attendant,

Squatted down in front of her in a half-kneeling posture and looked up at her.

The first flight attendant said, "Dear Madam, welcome to this flight."

"This flight is a direct flight from Aurous Hill to Providence, the United States."

"The flight time is about fifteen hours. I am the flight attendant on this flight."

"Ma'am, these two people beside me are the flight attendants of our crew,"

“The three of us will serve you alone during the next flight,”

“And you can give any orders at any time if you need anything.”

Elaine suddenly had a clue With a feeling of her soul being out of the body,

Se said with a refreshing look: “Oh, it’s really hard for you!”

The steward said very modestly: “This is what we should do.”

At this time, in the cockpit, two pilots also came over, and the two of them bowed slightly to Elaine,

And then one of them said, “Ma’am, I am the captain of this flight, and this person next to me is my second-in-command.”

“We will do our best to ensure the safety, timeliness, and your comfort during the flight.”

“The plane has applied for a VIP channel, and you can cut the queue to take off at any time.”

“If you are ready, we can launch it at any time.”

“If you still want to rest for a while, we will wait for your instructions in the cabin.”

Elaine happily closed her mouth and blurted out:

“No wonder you fly 1.2 million at a time! It’s an emperor-like enjoyment!”

She quickly waved her hand. Said: “I’m all ready, let’s take off as soon as possible!”

The captain nodded immediately and said, “Okay, Ma’am, we’ll apply for the take-off now!”

Elaine suddenly thought of something, and quickly said: “Oh, wait wait wait.”

While talking, she took out her mobile phone from her bag and said to a few people,

“Oh, I was so excited just now that I forgot to take a video and leave a memory,”

“So we can do it once more?”

Chapter 4575

The captain said without hesitation: “Okay, Ma’am, then I’ll report to you again.”

Elaine shook her head and said, “No, it doesn’t start with you.”

After speaking, she pointed to the flight attendant and smiled. Then she said, “It starts with her!”

Elaine has a pungent personality, but the essence of this comes from being strong.

She has lived for fifty years, and was looked down upon most of the time,

Especially after marrying into the Willson family.

The contempt of her husband’s family and the cowardice of her husband,

Once made her self-esteem trampled, which not only made her character more aggressive,

But also aggravated her ultimate pursuit of respect.

Now, she has finally taken a private jet. She naturally wants to enjoy such a high-end feeling and leave a memory.

More importantly, she has to show off in the circle of friends.

And the crew members are naturally very cooperative.

After all, they are flying such flights. The income of serving Elaine alone is several times that of serving a few hundred people on a whole civil airliner.

Naturally, Elaine should be worshipped as a Lafayette.

After filming the video contentedly, in order not to expose it in front of her family,

Elaine specially organized a group to block Charlie, Claire, and her husband,

And then posted a circle of friends with the text: "Taking a private jet to travel."

"The feeling is different, there is a royal atmosphere everywhere!"

After posting on the Moments, she subconsciously asked the flight attendant:

"Hey, waiter, will there be no internet after we take off?"

The flight attendant hurriedly said: "There is no network at the critical stage of the plane's take-off and climb,"

"But after the plane is stable, I will turn on the cabin WiFi for you,"

“And then you will be able to connect to the Internet.”

Elaine nodded with satisfaction and smiled:

“Okay, then tell the captain and take off quickly.”

After speaking, she thought happily: “The circle of friends has been sent out,”

“And I will connect to the Internet after I get to the sky for a while,”

“And it is estimated that many people will see it, won’t they be envy to death?”

Thinking of this, she put her phone aside and looked at the scenery outside the window in a wonderful mood.

The plane quickly cut in line to take off, straight into the sky.

About half an hour later, the plane rose to a cruising altitude of 11,000 kilometers.

The stewardess turned on the cabin WIFI and said to Elaine:

“Ma’am, our WiFi has been turned on, you can now connect to the Internet,”

“And the WiFi name is your name. There is no password.”

Elaine immediately took out her mobile phone, connected to WiFi,

And then couldn’t wait to open WeChat, wanting to see how big the prompt in the circle of friends would show.

However, after she opened it, she found that the circle of friends didn't even have a prompt!

This also means that it has been so long since she posted it in her circle of friends,

And no one has liked or commented on it.

She couldn't help but mutter in her heart:

"Is there a problem with this network? It's impossible for more than half an hour, and no one has commented!"

Thinking of this, she couldn't help asking the stewardess:

"Do you have a wireless network? What's the problem?"

"It shows that it is connected here, but it doesn't seem to be connected to the Internet!"

The stewardess hurriedly said, "It shouldn't be, Ma'am, we are all using the satellite network,"

"although the Internet speed is a little slower, but the signal is very good, and the connection is very stable."

Elaine was about to speak when a circle prompt popped up in the circle of friends,

And there was a number 1 in the red circle.

She hurried to check, and the notifications immediately became 2.

She was instantly overjoyed and thought, "Finally someone commented on the old lady's circle of friends!"

So, she quickly clicked in, which didn't make her mad.

The two are from Horiyah.

One is Horiyah's like, the other is her comment, the content is: Sister have a smooth journey!

Chapter 4576

Elaine was suddenly very depressed.

Being able to receive likes and comments from Horiyah proves that there is definitely no problem with the Internet on the plane.

It also proves that no one else has commented on her post since they took off for so long.

This made Elaine very angry, and couldn't help but scolded in his heart:

"Danm! I usually take pictures of broken flowers in the park,"

"And I can't hold my hands firmly, and many people like them."

"Why is it that I am sitting in a private plane, these people don't even give a compliment?!"

"Danm, jealous! It must be because of jealousy!"

After the flight time, Elaine was almost in no mood to sleep.

She would open her Moments every once in a while to take a look,

But until the plane flew over the United States, her Moments still only had one like and one comment from Horiyah.

This made her almost drop her phone several times, but in the end, she had to accept the reality.

So she could only comfort herself from the bottom of her heart:

“Hey, besides family members, how many good people can there be in the circle of friends?”

“They are all good guys who can’t see others! Hmph, if you don’t give me a compliment,”

“I will pull it down, you think.”

“Going to the United States on a private plane, do I still need your likes? It’s ridiculous!”

While thinking, she quietly opened her phone and glanced at it.

When she found that there were still no likes and comments in the circle of friends,

She was even more annoyed. She threw her phone aside and closed her eyes.

After more than ten hours of flight,

Elaine’s Gulfstream G650 finally landed at Providence Airport in the United States.

At this time, it was more than ten o’clock in the evening, American time.

Charlie and Claire had just finished watching Sara’s second concert in Boston and were driving back to Providence.

In fact, Charlie knew about Elaine’s movements for a long time,

And he received the news as soon as the plane landed.

However, he also knew that Elaine dared not let him and Claire know that she came by private plane,

So she would definitely wait to get off the plane before contacting Claire.

Charlie is not worried about Elaine going through the customs alone.

After all, she also went to university and must have basic conversation skills.

Half an hour later, Claire's cell phone suddenly received a call from the United States.

She didn't think too much, just picked up the phone and said, "Hi."

On the other end of the phone, Elaine's excited voice came: "Claire! It's me! I'm in the United States!"

Claire Hearing her mother's voice was stunned,

And it took a long time for her to recover and blurt out:

"Mom, when did you arrive in the United States? Why didn't you tell us before you set off?!"

Elaine laughed: "I wanted to surprise you and Charlie!"

"Besides, the flight time is so long, if I tell you in advance,"

"You will definitely worry about me, so I decided to fly over first!"

Claire discovered for the first time, that Mom has become sensible too... Knowing to think about others...

But how could she know that Elaine did this because she was actually afraid they would know that she is out of money.

So, Claire hurriedly asked her: "Mom, where are you?"

"Is it the New York airport? Charlie and I will pick you up now!"

Elaine said: "I'm not in New York, I'm in your Providence. Where are you!"

"Ah?" Claire said in surprise: "Mom, did you come here on a special plane?"

"Yes." Elaine said nonsense: "Didn't you say you would come to New York first,"

"I'll do it myself I'm on a connecting flight."

Claire asked again, "Have you gone through the customs? Have you finished the immigration formalities?"

"It's done." Elaine said, "I'm in the airport lobby, can you come to pick me up now?"

"If not If it's convenient, I can take a taxi, but I'm in a hurry,"

"So I didn't go to the bank to exchange dollars, so I still asked the flight attendant for the coins for the call, and you can pay for the fare for your mother."

Claire didn't have much thought. After thinking about it, she blurted out and asked Charlie:

"Husband, Mom has arrived at the airport, how far are we from the airport? Is it convenient to pick her up?"

"Convenient." Charlie glanced at the navigation and said,

“Convenient, going from here we will be in the airport in ten minutes.”

Claire hurriedly said: “Mom, Charlie, and I are on our way,”

“And it’s only ten minutes away from you. If you wait for us at the airport for a while, we’ll pick you up!”

Elaine was naturally overjoyed, and blurted out: “Oh, that’s great! Mom is waiting for you here!”
