

## Chapter 4607

Henry was frightened by Charlie for a while and did not dare to speak.

He knew that once the Zhong family and Four Dragons couldn't hold back Charlie, he would have no cards to use.

Therefore, at this time, he would never dare to touch his bad head again.

However, how could Charlie let him go so easily,

He raised his hand and slapped him again, and asked, "Speak, are you dumb?"

Henry endured the severe pain and sobbed: "I...I was wrong...Please let me go...let me go..."

Charlie made another note, he slapped his face and said coldly:

"I asked the person who was going to do this or that just now, is it you!"

"Say one more nonsense word, and I will tear your mouth to pieces!"

Henry said with tears and howls: "It's me...it's me..."

Charlie nodded and slapped him again, and said coldly,

"Do this, do that, you have a lot of firepower!"

The corners of Henry's mouth on both sides bleeding with blood, he cried and said,

"It's all my mouth! Please forgive me"

Charlie slapped him again, and asked with a smile,

“Didn’t you say before, let me kneel down and kowtow to you?”

“Did you not want to slap me a hundred times?”

Henry felt the world spinning, crying and begging:

“I...I was just...all saying nonsense...”

“Just spare me... this time, I will... never... never dare...”

Charlie sneered and slapped him again: “There is no chance to beg for mercy now!”

Seeing that Henry was about to pass out, Jemima couldn’t bear it,

Stepped forward and said, “Charlie, don’t fight anymore, it will cause an accident!”

Charlie Looking at her, he asked curiously, “What happened?”

Jemima blurted out: “It will kill him if you fight like this!”

Charlie smiled and said, “I am doing it measured, the pain is really painful,”

“But he definitely won’t die. If you don’t believe me, look.”

Charlie said, shaking his head. He raised his arm and slapped Henry again.

Henry subconsciously covered his face and cried,

“Elder brother, I was so wrong, Elder brother...don’t hit Elder brother...”

Charlie smiled slightly, and said coldly, “You had that energy just now.”

“Where did it go? Don’t you want to kill me? Why are you begging for mercy again?”

Henry blurted out, “I have no eyes and I accidentally offended you,”

“Please don’t...don’t have the same attitude as me...”

Charlie sneered and said: “You think of begging for mercy at this time? It’s too late!”

After that, Henry received another slap in the face.

Afterward, he looked at Jemima and said with a smile,

“Look, I just said he couldn’t die, right?”

Just after he finished speaking, Henry had already been beaten in a bad way.

He slapped him in the face, and he felt black in front of him. The whole person fainted.

Jemima blurted out, “He...he rolled his eyes...isn’t he dead?”

Charlie waved his hand: “Don’t worry, he can’t die, it’s just a coma.”

Jemima: “Then quickly call the emergency and send him to the hospital...”

Charlie shook his head and said, “I already said that he can’t die,”

“So what kind of emergency call is required here?”

“There is no need to waste medical resources for this kind of person, and I will keep him. It will be useful later.”

Jemima felt that her brain was about to explode, and she said earnestly:

“Charlie... I beg you to listen to me, you beat him so badly,”

“His family will not give up, you don’t know how will you end?! My dad can’t protect you...”

“Your dad?” Charlie smiled, “It’s amazing that he can protect himself.”

## **Chapter 4608**

After speaking, Charlie’s topic didn’t stop with Gerard, and said to Jemima:

“What’s more, now it’s not a question of whether this kid’s family will give up,”

“But whether I will give up these 100 questions.”

“He can’t take a slap now, so he has to replace his father and his godfather to take it for him,”

“Who made him a godson and a helper?”

Jemima was shocked by Charlie’s words and couldn’t speak for a while.

After that, she couldn’t help but ask: “Charlie... Are you always so arrogant?”

Charlie looked at her, smiled, and said, “I am not arrogant, and my goal has always been,”

“People don’t offend me, I don’t offend others, and I will never bully others”

“Or bully the weak for no reason by relying on my strength and background.”

After speaking, he pointed at Henry and said coldly, “But if someone offends me,”

“And will commit the crime! And I will commit it ten times,”

“A hundred times, a thousand times! I will never be lenient!”

Jemima blurted out: “This is Hong Kong, not your territory!”

“Don’t you understand the truth that strong dragons don’t overwhelm local snakes?”

Charlie smiled contemptuously and said seriously,

“Miss Liu, tell you the truth, I have no problems here!”

For Charlie, he really had no fear when he came to Hong Kong this time.

He came to Hong Kong alone, without family or friends,

Only Joseph and the other people of Cataclysmic Front would be here,

And they would not be a burden to Charlie.

Therefore, he naturally has nothing to worry about.

What’s more, if someone wants Hogan’s life, then he will naturally come to see who has such courage.

Not only that, but he also wants to let these people know that Hogan’s life is not what they want!

Moreover, even if they are not so powerful, they have to pay for this idea!

So, as Charlie told Jemima before, he is here to preside over justice.

Since it is upholding justice, there should be no fear.

gods block and kill gods, and Buddhas block and kill Buddhas!

Jemima was so angry that she was speechless by Charlie's arrogant attitude.

Although she can also see that Charlie's personal strength is outrageous,

She also knows that Four Dragons is by no means weak in Hong Kong.

They have thousands of disciples, and they spread all over Hong Kong.

Deep-rooted, no matter how strong Charlie is, he can't be against them.

Therefore, from her point of view, Charlie did things recklessly,

And didn't even think about how to deal with it next.

At this time, Charlie didn't care about the consequences at all.

He looked at his henchman, who was abolished by him first, and said coldly, "You! Come here!"

henchman covered his shattered arm with a look of horror on his face.

Looking at Charlie, he hesitantly asked: "You... what are your orders..."

Charlie said coldly, "Go and take out everyone's mobile phones for me.

Anyone who dares to hide his mobile phone, I will break his third leg!"

Once...ask... henchman didn't dare to make trouble,

And immediately used his intact left arm to put all his brothers to take out their cell phones.

Charlie took a bunch of mobile phones and threw them out diagonally upward in the direction of the valley.

A dozen mobile phones instantly threw a huge parabola and were thrown directly into the valley.

Afterward, Charlie said to the henchman, "You and your little brothers, you,"

"The eldest brother is the least injured. Isn't it a bit unreasonable?"

Henchman was so frightened that he blurted out,

"Brother... I've been seriously injured... My right hand is basically useless..."

## **Chapter 4609**

Charlie pointed at the other people lying on the ground, and said earnestly,

"Look at them. , which one doesn't have more broken bones than you?"

"You, the big brother, bring your younger brother out to hang out."

"What you pay attention to is a righteous word! If your younger brother is injured more than you,"

"How will you move around him in the future? Others will point behind your back. Point and poke your spine!"

After speaking, Charlie touched his chin and said seriously:

"I see, it's only appropriate for you to break another leg."

Charlie's words made the henchman's mood collapse instantly.

As soon as his legs softened, he knelt on the ground with a thud, crying and begging:

"Big brother... I'm just a little man who is living with Four Dragons,"

"Please consider that I have lost an arm. , show mercy, and let me go..."

Charlie frowned and said, "I really don't understand you, gang members,"

"You are usually the most ruthless, and you are the most cowardly in trouble, so don't you think you're tough?"

Henchman cried and said, "Brother... If you break my leg,"

"I won't be able to continue messing around in the future..."

Charlie asked him, "You Still thinking of taking care of your injuries,"

"And continuing to be your double-flowered red stick?"

Henchman hurriedly shook his head: "No...I didn't mean that..."

Charlie sneered: "There is one arm and one left leg if you honestly find a living,"

"It's enough, otherwise if you come out again, you'll have to move your head sooner or later."

After that, Charlie kicked his right knee before he could react. superior.

With the sound of cracking, the henchman rolled on the ground in pain.

Charlie had no sympathy for him, and said coldly:

“I hope you can change your mind and become a new person, otherwise,”

“Next time I will let you taste the taste of high-ranking paraplegia.”

Henchman could only endure the pain and blurt out: “Don’t worry, big brother...”

“I will definitely reform myself...I must be a new person...”

Charlie nodded and said coldly, “You guys just stay here and be honest.”

“At night, it is estimated that the Zhong family will come to you,”

“And if they ask you about Henry’s whereabouts, you should tell them that Henry is taken away by me.”

Henchman said without hesitation: “Okay, brother... I see.....”

Jemima asked Charlie with a look of astonishment: “Where are you taking Henry?”

“Going to a nightclub.” Charlie said casually: “We agreed, you forgot?”

“Eat first, then go to a nightclub.”

Jemima blurted out and asked, “What about Henry? Put him in the car?”

“Yes.” Charlie said, “Your trunk is empty, just stuff him in.”

“Ah?!” Jemima said dumbfounded: “You...what the h3ll are you doing...”

Charlie grabbed Henry’s collar, pulled him up, and said:

“You’ll know what I’m going to do at night.”

After that, he asked, “Are you going?”

Jemima was extremely helpless, so she could only bite the bullet and follow.

Returning to the road from the mountain forest, there is still no one around.

Charlie directly opened the Tesla trunk and stuffed the unconscious Henry inside.

Henry is currently in a deep coma, and it is estimated,

That he will not be able to wake up tomorrow without external interference.

After closing the trunk door, Charlie said to Jemima, “You drive, I’m not familiar with it.”

Jemima asked him, “When you came, you said you wanted to drive because you expected them to follow us?”

“Yes .” Charlie nodded slightly.

Jemima asked: “So you deliberately led them here to deal with them?”

“That’s right.” Charlie said lightly: “You don’t need to look at the owner to beat a dog,”

“But you have to choose a suitable place, you can’t do it all at once.”

“These dogs just hugged their heads and ran away, and they couldn’t make a move, let them bark wildly in the downtown area”

## **Chapter 4610**

Jemima looked at Charlie's understatement, and then thought of what he had just done,

She couldn't help but say, "You are simply a devil!"

"Devil?" Charlie frowned and said, "I, the devil, never thought to invade you,"

"But the guy in the trunk not only wanted to invade you himself,"

"But also wanted those strong men to invade you together, so who do you think is the devil? Who's to blame?"

Jemima's face turned red and then white, and after a while, she said angrily:

"Then you can't use violence to control violence!"

Charlie smiled and said, "I'm done with violence, so what do you do? I'll tell them Sorry?"

Jemima saw the banter on Charlie's face and knew that she couldn't speak to him,"

"So she simply ignored him and got into the car directly.

Charlie also sat in at this time, fastened his seat belt, and said,

"Miss Jemima, what are you going to bring me to eat tonight?"

Jemima said angrily: "If you don't eat, you will be full of anger. It's over!"

After speaking, she couldn't help but give Charlie a blank look,

And she had already made concessions in her heart, but her tone was still a little dissatisfied:

“I’ll take you to eat the most famous wanton noodles in Hong Kong!”

“Curry fish balls, we can buy more snacks to eat together,”

“If you are not full, you can also eat some spicy crabs from the typhoon shelter.”

Charlie raised his eyebrows and smiled: “It sounds delicious, then it’s hard work.”

“Miss Jemima entertains me! You will be a guest in Aurore Hill another day,”

“And I will invite you to eat duck fans and salted ducks!”

Jemima glanced at him and couldn’t help but sigh: “There is nothing I can do against you!”

They returned to downtown Hong Kong.

On the return journey, the two stopped and walked because of the peak period,

And it took more than an hour to reach the urban area of Hong Kong.

Jemima drove the car to a crowded and bustling snack street.

After parking the car, she asked Charlie nervously, “What about Henry? He won’t wake up?”

Charlie smiled and said, “Don’t worry, he will not wake up.”

“That’s good.” Jemima breathed a sigh of relief and said,

“Let’s get off the car, it’s time to eat.”

Charlie nodded, pushed the door, and got out of the car.

Jemima carefully pressed the car lock button several times,

And after confirming that the car was locked, she took Charlie to the snack street.

Charlie looked at this lively snack street and asked curiously,

“Miss Jemima, do you often come to eat at this kind of place?”

“Yes.” Jemima nodded and said, “I used to eat often when I was young.”

“I came here to eat, and it’s the same to this day, it’s not far from my school,”

“I usually come here to have dinner and then go home.”

Charlie asked in confusion: “Your family is so rich, you come here to eat, you don’t worry about safety?”

Jemima said: “It’s not an old era now, and the security of Hong Kong is much better.”

“Besides, this is a downtown area, and I know most of the vendors. Who would kidnap me in such a place.”

Charlie nodded: “It makes sense.”

After speaking, he asked her curiously: “You are a daughter of a rich man,”

“And you often come here to eat. Is there anything special for you here?”

“Yes.” Jemima said with a look of nostalgia: “When I was young,”

“My mother often brought me here to eat. She said that I was a picky eater when I was a child,”

“And I was picky eater for no reason and irregularity. If I liked to eat,”

“I like to eat wonton noodles and brine snacks sold by street vendors.”

“Even if the housemaid makes the exact same thing at home, I still would not like it,”

“So she always promises me that as long as I have breakfast and lunch and eat obediently,”

“And bring me here to eat delicious food at night...”

After speaking, Jemima sighed and muttered with a melancholy expression:

“Since my mother left, I have come here almost every day. Eating, starting from elementary school,”

“Until I graduated from high school and wanted to go to university,”

“My dad wanted me to go to a better university in the United States,”

“But because I couldn’t bear to be away from here, I chose to stay in Hong Kong.”

“I don’t believe it, I grew up so much, except that I left Hong Kong with my mother when I was a child,”

“And after she left, I almost never left this place ever again...”
