

Chapter 4521

“Mr. Wade You are asking me to You are telling me to freeze Inspector Li’s body?!”

Stella was stunned by Charlie’s words and did not know how to respond for a while.

Charlie said with a righteous face: “Were you not talking about having a freezing center?”

“Just take his body there and freeze him.”

Stella welcomed the incomparable ease with which Charlie spoke but could not help but remind:

“Mr. Wade, the human body freezing technology so far, it is still only a scientific concept,”

“Although the concept has been proposed by scientists from decades ago,”

“But until now there have not been any successful cases

Saying that Stella could not help but look at Duncan laying on the ground and continued:

“Mr. Wade, I say it bluntly, as far as the current scientific means,”

“People are impossible to come back to life after freezing

Charlie waved his hand: “You don’t have to worry about this, let’s freeze him first.”

The reason why he wanted to send Duncan to the freezing center to freeze is because,

He also does not have the ability to maintain Duncan's body immortal all the time,

By freezing him, he can maintain his current situation to the maximum extent,

And since he will be frozen in a super low-temperature environment of one or two hundred degrees below zero,

The aura needed to maintain his body will also be reduced to an extremely low level.

In this way, Charlie only needs to spend a small amount of spiritual energy to protect his body,

And then let the spiritual energy be frozen with him,

Then he can ensure that he will not have any changes for at least a few years.

However, this kind of thing, he also has no way to explain clearly to Stella,

So can only stubbornly let her do as he is ordered.

Stella was pleased that Charlie had already made a decision, out of respect,

So she did not say anything more, but immediately called her grandfather,

And asked him to personally order the head of the freezing center to come and pick up Duncan.

After communicating with Grandpa, Stella said to Charlie,

"Don't worry, Mr. Wade, Grandpa said that the freezing center people,"

“Will come over within 15 minutes and pick up Inspector Li.”

“Good.” Charlie nodded and said, “I’m counting on you guys for this person,”

“Keep in mind, don’t let any word out to the public.”

“You can rest assured,” Stella said with certainty:

“The secrecy level of the freezing center has always been very high, so there will be no leakage.”

Charlie then said, “That’s good.”

At this time, Stella could not help but say, “By the way, Mr. Wade,”

“I have something to say, I don’t know if I should say it.”

Charlie said, “But there is no harm in saying it.”

Stella nodded and continued,

“Mr. Wade, generally speaking, every step of the top family members’ movements is top secret,”

“Especially for super families like the An family, generally speaking,”

“Their movements cannot be captured by the outside world, but these attackers today,”

“Not only were they able to grasp the movements of the core members of the An family,”

“But they even knew the situation here like the backdrop of the concert.”

“The background music of the attack, it seems to be a long time planning,”

“I suspect that in this matter, there must be a mole from the An family.....”

“Yes.” Charlie agreed and said, “I agree with you on this matter,”

“But who the mole is specifically, the An family may have to find out for themselves.”

After that, he said to her: “Miss Fei, you have more manpower in New York,”

“The next hard work, you first arrange your people, the carpets here must be removed and burned,”

“Blood stains must be disposed of, and bullet holes are to be concealed together,”

“In addition, also seize the time to find a new batch of carpets to replace,”

“The new carpets preferably the same as here or nearly similar,”

“Do this all in the shortest possible time to restore the place.”

Stella said without thinking, “Mr. Wade don’t worry, I’ll arrange it!”

Chapter 4522

Charlie nodded and said to Joseph, “Joseph, the bandit who is alive must be watched over for me,”

“Don’t let him commit suicide, let alone let anyone get rid of him,”

“I will personally come over to interrogate him later!”

Joseph said offhandedly, “Okay, Mr. Wade, I will personally watch over him, and nothing will happen.”

“Good.” Charlie nodded and said, “You go to the villa first and wait for me, I will come over at night.”

Joseph clasped his fist and said, “Okay Mr. Wade, then the subordinate will leave first!”

After Joseph left, Stella also immediately instructed her men,

To quickly prepare a large number of tools to prepare to enter the scene afterward.

According to Stella’s request, her men first removed all the carpets,

And then packed the carpets into sealed bags and took them away to be incinerated.

While these men were cleaning up the carpets,

Another wave of men had urgently delivered a batch of lighting equipment,

Construction materials, cleaning supplies, and water pumps.

Subsequently, a few people proficient in electrical circuits,

Began to replace the spotlights for lighting, more people immediately used the decoration of the water blocking strips and foam,

The entire corridor is surrounded by a 10 cm height, impermeable pool,

And then with the fire equipped with high-pressure water guns with powerful cleaning agents,

Vigorously started cleaning the blood in the aisle,

Washed out of the blood, directly through the pump into the bathroom drain.

Soon, the lights of the corridor were completely restored,

And with the concentration of blood in the sink becoming lighter and lighter to the naked eye,

The smell of blood in the corridor also quickly dissipated ninety percent.

At the same time, another wave of people were silently dealing with the remaining bullet holes in the walls.

After they gouged out the warheads one by one, they smoothed out the damaged walls with quick-drying putty.

Since the wallpaper in the corridor of the VIP area was the same as the wallpaper used in the compartment room,

They cut down all the wallpaper of one of the unused VIP compartments,

Then filled it up piece by piece according to the color of the flower,

And dealt with the gaps at the splices so that no one could see any problems.

Subsequently, and with a certain pungent smell of disinfectant,

The entire corridor was sprayed again, and then several high-powered hot air dryers for drying.

Because of the clear division of labor and cooperation, it took less than half an hour to do all this.

And at this time, another wave of Stella's men arrived in a cargo truck.

As early as the first group of people started to clean up the carpets,

They had already urgently deployed brand new carpets from the Fei family's own decoration city.

These carpets were not of the same brand as the replaced carpets,

But the color and texture could already be 80% similar.

Along with the freight car, there are some workers who don't know anything.

When they came here, they couldn't see that a tragic shooting had just happened here,

Let alone that nearly thirty people had just died here.

All they knew was that their supervisor had given them five times their hourly rate,

To carpet the place as fast as they could.

So, they all worked together and used the fastest time to pave the whole VIP area with brand new carpets.

When these workers withdrew, in the entire corridor, there is no trace of the fierce battle.

In addition to the faint smell of disinfectant water in the air,

As well as the smell of the brand new carpet, there is almost no smell of blood.

At this time, Stella's men below reported, "Chairperson, a woman named Chen insisted on coming up,"

"Saying she is in charge here, and questioned my identity, threatening to call the police,"

"I have her under control, what to do next?"

Stella was surprised and quickly reported the situation to Charlie.

After listening, Charlie guessed that it should be Tasha, so he spoke:

"Have someone bring her up, keep an eye on her, and don't let her contact with the outside world."

After saying that, he suddenly frowned, the matter of Stella's feedback reminded him of a detail,

Just now Uncle Marshal had said in the room that his phone had no signal and could not even call 911.

But why was his own phone not affected in any way?

Could it be that the device to block the signal was installed inside their box?

If that's the case, then it's likely that in Sara's team, there is a mole!
